Welcome to RBKEI

RBK Educational Institutions began in the year 2000 in Mira Road with a simple and honest goal of providing the finest education to the young learners. RBKEI Schools foster an exquisite academic involvement by encouraging learners to take initiative and become creative thinkers. Spanning across Pre K-12 years, RBKEI schools are designed around each learner's abilities and primarily work towards building core academic and personal skills.

Currently, over 10,000 students study with us in National and International Curriculum Schools across Mumbai and Gujarat. RBKEI's Olive Trails is a new-age preschool in Mumbai which focuses on play-based learning to imbibe curiosity and encougage cognitive, social, physical, and emotional skills in the kids.

The success of RBKEI schools can be ascertained by the achievements of our students every academic year and the happiness of our parent's community.
