## DECLARATION

Dear Manager/Principal/Trustee,

I wish to apply for a place in above mentioned Class in the coming Academic Year 2022-2023 for my child/ward. I have supplied the information requested in the attached form; I declare that it is true and accurate. I agree that, if it is later discovered that any information has been suppressed or found to be incorrect, this application may be rejected and could lead to termination from the school.

I fully appreciate the fact that acceptance of this application is entirely left to the discretion of the school authorities, and does not in any way guarantee admission.

I hereby state that by clicking on the link below and filling out the application form (digitally or otherwise) implies unconditional acceptance of all the School's admission procedures and process, rules, regulation and fees in force and as may be changed from time to time.

I am conscious, agree and acknowledge the Constitutional Right of the Management to administer this minority educational institution according to their choice, and accept their decision on admission, favourable or otherwise, as final and binding. I further accept that trying to bring influence in any form or from any person or quarter shall summarily disqualify application and admission.

I have taken note of the long-standing stated policy of the school banning donations linked with admissions. To prevent unscrupulous individuals and intermediaries taking advantage of gullible parents, I undertake to bring any such information and details to the notice of: THE VIGILANCE CELL, ARCHBISHOP'S HOUSE, 21, N. PAREKH MARG, MUMBAI 400001

PLEASE NOTE:-

1. There is NO DONATION-LINKED ADMISSION. Do not pay money to anyone for seeking admission. Beware of unscrupulous intermediaries (middle men and persons posing as agents) who, for their personal gain, offer to intervene on your behalf. You could be deprived both of admission of your child as well as your hard earned money
2. In order to tackle the menace of intermediaries taking advantage of gullible parents any attempt to bring influence will disqualify candidature. Your bringing to the notice of our Vigilance Cell, any information that will help us keep the admission process free from intermediaries will be treated with utmost confidence and will not jeopardise your child's admission.
3. Admission to Junior K.G. does not guarantee an automatic admission to Std. I.
4. On account of inadequate good quality schools, the number of applications that we receive is well in excess of the number of children that we can admit. This, therefore, results in disappointment to all who cannot be accommodated. While we do understand your concern as a parent, we trust you will appreciate our constraints in case your child is not admitted. After announcement of the admissions (as all seats would be filled up), it would not help to seek an appointment to put forward your case for special consideration. Your co-operation would be appreciated.

**DISCLAIMER**

I understand that the filling of registration form online and submission of the form at the school is no guarantee to admission. I also undertake that the information provided by me in the registration form for admission are correct and true. In case any information provided by me at any point is found false the registration/admission of my ward shall stand canceled and I will have no objection to same.
