Our Mission

The main objective of the teaching – learning process is to provide an opportunity to the students to explore ideas and help them enhance their self confidence.

Enrichment of concepts through a hands-of activities and games are taken up to captivate the student's attention.

Delhi Heritage School is a premier institution incorporating principles of academic excellence and inculcating timeless values amongst students.

Co – curricular activities are an integral part of school curriculum. We plan a variety of art and craft activities for our kids. Exciting and informative workshops like Dance, Theatre, Craft, Clay Moulding, Puppet Show and enactments are taken up through the year. Development of Oratory and Creative Expression is also emphasized upon.

Our Core Values

Excellence

Pursuit of Excellence is the best way to ensure an effective and efficient life. The environment and quality matters become a culture of work for everyone.

Integrity

Only business built on integrity and high moral character by adhering to ethical standards, honesty, transparency and ensuring that there is consistency between what we say, think and do.

Respect & Responsibility

We believe in the inherent dignity of all people. We stand and forward with you at all times through words and actions.

Our Core Values

Leadership

We believe that leaders play a key role in leading others to success.

Community

We encourage building lasting and meaningful relationships between teachers and students. We emphasize mutual respect, cooperation and collaboration.

Creativity and Innovation

At ISG, we are committed to nurturing, cultivating and fostering with students to discover, try or to create, individually and creatively.

Beyond
Academics

Our Strength

Kindergarten Section

The children learn in an informal way through the PLAY WAY METHODS. The school has a separate block for the tiny tots with the latest teaching aids and toys. All efforts are made to make education a joyous experience. Each classroom is equipped with smart board projectors and educational toys, apparatus and other material which are used extensively by competent and trained teachers to make the learning creative and productive.

Classes I-IX

The formal education system with the NCERT prescribed syllabi as a guideline is followed. Art, Craft, Music, Dance, Computers, Yoga are added on for full personality development. From Class VI the third language is introduced as per requirements of the 3 language formula following the Central Government Education Policy. All select features of National Education Policy 2020 are followed upto Senior Secondary Classes.

Classes XI-XII

The Syllabus as prescribed by the Central Board of Secondary Education. Commerce and Humanities subjects are offered at +2 stage.

Around the School

The Librarians (Senior & Junior) see the burnished road of knowledge. They provide rich material to supplement and enrich instructions and guidance given in the classroom. The Music (Instrumental & Vocal) and Dance Rooms, the Art Rooms, the excellent activity hall – all provide the base for a multidimensional approach and growth.

The School has a well equipped Clinic to take care of health and well being of the students.

State of Art Facilities

The school has excellent facilities of Laboratories and Libraries. Well equipped Physics, Chemistry and General Science Laboratories provide ample opportunities to do practical work and conduct scientific investigations. The Computer Science Centre has become an integral part of the curriculum looking after the modern day information technology in specially designed courses. Excellent Mathematics Lab, Social Science Lab, Art Education, Work – Experience, Skill Education and Language Labs help students to explore the world of the unknown. To develop ideas and to be creative and critical in their thoughts.

Sports & Fitness

The School follows a carefully planned system of physical culture comprising major and minor games, Sports, Gymnastics, Yogasana, Aerobics, Drill and Marching. Besides a provision of all these in regular time table, the School offers coaching and practice sessions in games and sports for one hour daily on a regular basis. This is open to every pupil of the School.

Provision exists for : **Cricket, Badminton, Table-Tennis, Basketball, Volleyball, Throwball, Kho-Kho, Athletics, Gymnastics, Skating, Band Drill and Marching, Coon, Chess and Physical Exercises.**

3. Those seeking admission to the School for the first time must produce the Birth Certificate issued by the Municipal Corporation.
4. Pupils who have attended other schools cannot be enrolled until a Transfer Certificate from the former School is produced.

*Each child is unique !
so let's love and cherish our children
for what they are rather than for
what we want them to be !*
