

M.M. PUBLIC SCHOOL
(Recognised & Affiliated to CBSE)

*We Create
Better Humans*

P R O S P E C T U S

WELCOME TO M.M.P.S.

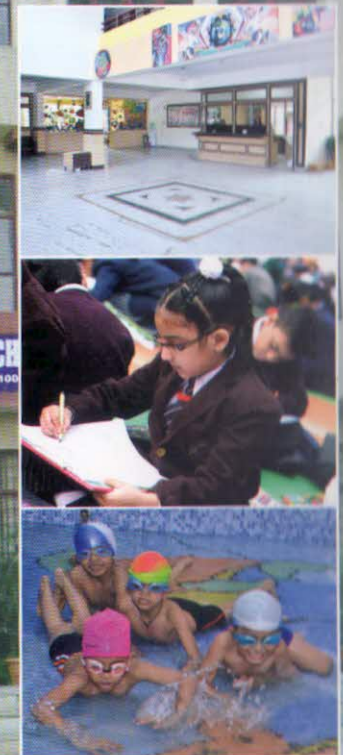

M.M. Public School run by the Mohanlal Memorial Educational Society situated at Vasudha Enclave, Pitam Pura, is a co-educational English Medium School affiliated to C.B.S.E. The school is ideally located in two acres of land made available to the M.M. School Society by D.D.A. as a recognition of the useful work done by the school.

It is architecturally well designed and has a well laid spacious building, an elegant reception hall, a large auditorium and lush green play ground.

Students are taught in a stress free environment with a high degree of expertise and professionalism achieved by the experienced teaching staff. The class size is kept small to enable participative and facilitative teaching/learning.

M.M.P.S. provides an educational environment aiming at the complete development of the child. We, at M.M.P.S. dedicate ourselves to prepare the child for better life.

M.M.PUBLIC SCHOOL

A CENTRE FOR ACADEMIC EXCELLENCE

At MMPS, the students' talents are nurtured and attempts are made to foster discovery of their hidden potentials and talents. The years spent in the school equip the students with the resources to become leaders, trendsetters and worthy citizens of the world. Thus our Motto - Learn, Labour and Love.

M.M.P.S. has made it a mission to inculcate these three qualities among its pupils. Here the word 'Learn' stands for the efforts of teachers to find out the potential and abilities of the students. The word 'Labour' stands for the activities that develop the abilities of the students to their fullness. The word 'Love' stands for the attachment of students and teachers to Nature, and to all living things great and small.

VISION

Education provided in M.M.P.S. ensures in building character; assessing ideas; making life happy, progressive and civilized and aims at exposition of spirituality inherent in every pupil.

CURRICULUM & ACADEMIC SYSTEM

The school follows the curriculum as prescribed by NCERT at various levels :-

Pre-Primary Level (Nursery & K.G.)

The curriculum has a child centered innovative approach to the child's basic needs/requirements playing a pivotal role.

Flexibility of curriculum helps the teacher to begin with the child's area of strength. It facilitates adjustment of the child in the learning environment of the school.

Simple yet interesting activities are incorporated into the daily routine to enhance the imagination and to remove his/her hesitation and to develop confidence in them.

Learning is fun for the tiny tots in this techno savvy world as knowledge in handling computers and activities in the audio-visual room is easily accessible which gives them an edge over others in this technical world.

Primary Level (I to V)

Stress is laid on language development through Debates, Group Discussions, Public Speaking, Creative Writing and Conversation Classes. Emphasis is laid on developing imagination and creativity by initiating the child gradually into the mechanics of reading, expressing and building up the vocabulary.

Scientific attitude is cultivated by regular exposure to science lab. Learning is done by doing, observing and then drawing conclusions with the help of the teacher.

Project based study in social sciences with practical experiences of mock parliament, mock elections, judicial system motivates students not only for learning but also for the participation at various levels.

Inculcating the habit of reading the newspaper is promoted to help the children keep in touch with current affairs.

In nutshell, the curriculum inspires the students to be innovative, creative and confident.

Middle Level (VI to VIII)

An innovative curriculum based on total learning experiences and guidance by the facilitator is inculcated for the all round development of a child.

Encouragement is provided for co-operative comprehensive learning styles, for better academic competence and growth.

Secondary & Senior Secondary Level

The School till class XII has been affiliated to C.B.S.E. (Central Board of Secondary Education) since 1968.

➤ **Following streams are offered in class XI.**

➤ **i) Compulsory Subjects:**

- i) Cycle I July (L.K.G.-V)
 - ii) Cycle II September (L.K.G.-V)
- } (as per date sheet mentioned in the school diary)

Unit Test II

- i) Cycle III December (L.K.G.-V)
 - ii) Cycle IV February (L.K.G.-V)
- } (as per date sheet mentioned in the school diary)

SPECIAL FEATURES

General

- The school has highly educated, well trained, computer literate, experienced, hard working and result oriented staff members who work with full dedication to achieve the aim of all round development of their pupils.
- Child centered education through small class size.
- To satisfy the queries of ever wandering mind of a child; to help the students to overcome their problems in studies; to recognize their talents, interests and consequently help them in making a choice of a career, a well-trained team of psychoanalysts and counsellors are there in the school. Counselling is also provided to the parents to help them in upbringing their kids in a better way.
- An Educational block to ensure the realization of the child's maximum working efficiency in a healthy pollution free environment.
- Hygienic well equipped cafeteria.
- RO WATER PURIFICATION SYSTEM which converts ordinary tap water, boring and even brackish water to purified water commonly known as mineral water as per the latest BIS standards.

Academic

- The Learning Resource Centre is well equipped with CD Roms, Work Stations, Magazines, Periodicals etc. to facilitate student learning.
- Scientific and rational attitude is imbibed in the students by imparting them practical knowledge of various scientific facts in the following well equipped, spacious and modern laboratories i.e., Chemistry, Biology, Physics, Maths, Engineering Graphics, Home Science and Computer.

Library

The School has a big, spacious library-cum-reading room richly stocked with latest books on various subjects and reading material headed by an efficient librarian who helps the students as well as teachers to enrich themselves with the latest knowledge. The library offers an open shelf system for the convenience of its readers. There is an arrangement of weekly library period for all classes in the timetable.

Perfectorial Board

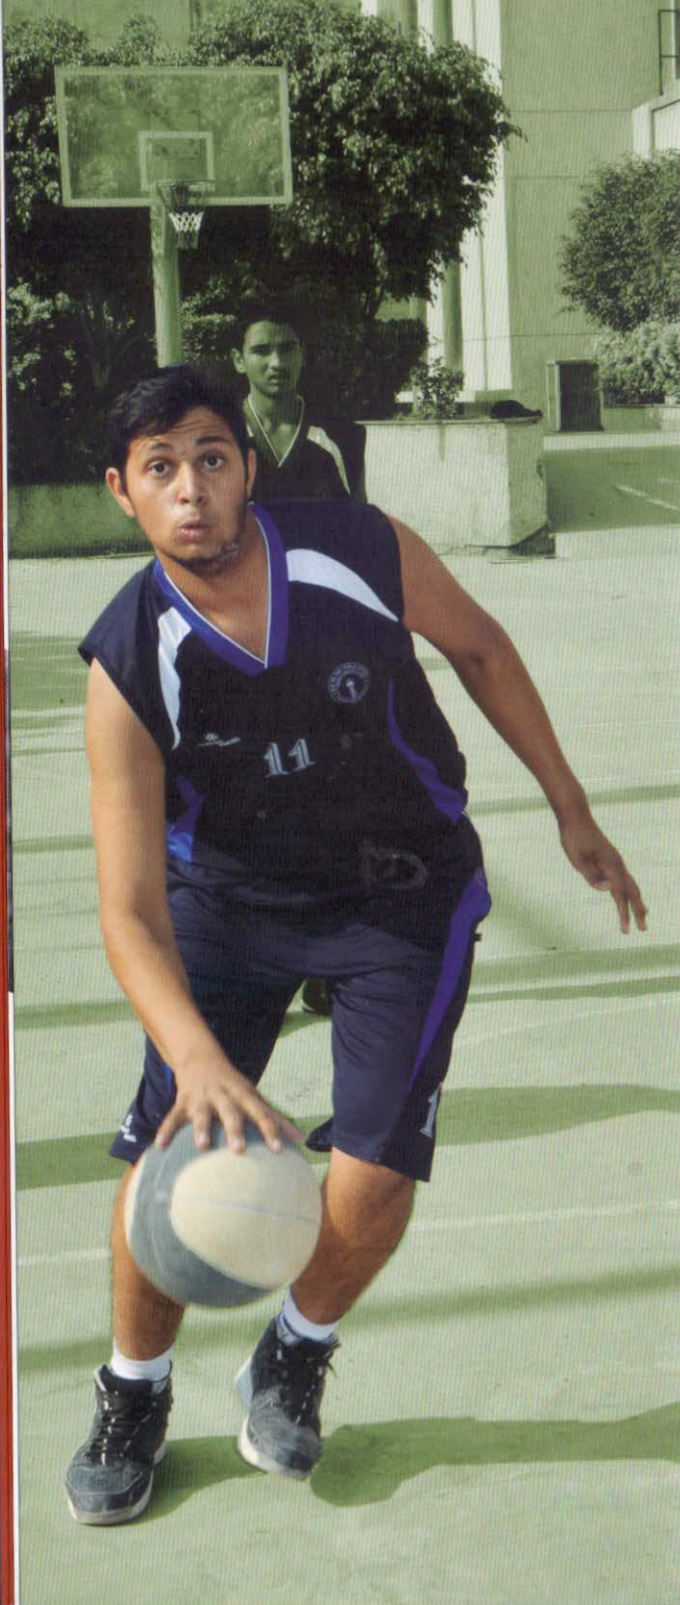

M.M.P.S. believes in developing, culturing and cultivating discipline among its pupils with the help of prefects and captains through their good example more than, through commands. It attracts others to practice good behaviour, to become stickler to discipline and to do their task cautiously, systematically and methodically. Perfectorial board consists of two teacher incharges who select a team of student prefects endowed with the qualities of initiative, politeness, patience, determination, sincerity and academic excellence. One outstanding boy and one brilliant girl chosen as head boy and head girl of the school respectively by the teachers act as student leaders of the board.

PLAY STATION

M.M.P.S has recently launched an authentic colourful playstation to add colour and zing in the life of tiny tots. It promotes enthusiasm and encourages our shining pearls to be active and stress free.

SPORTS & GAMES

MMPS strongly believes in the physical development of each and every student along with the intellectual development. Hence special coaching is provided by the well trained, renowned coaches during zero-period daily which is open for all. Our sports teams have bagged a number of trophies in various zonal and interschool sports competitions. The school offers training in following SPORTS:

Indoor :

Table Tennis, Chess, Carrom-Board

Outdoor :

Judo, Karate, Basket Ball, Volley Ball, Skating, Gymnastic, Athletics, Kabaddi, Kho-Kho, Lawn Tennis, Cricket, Badminton, Handball, Throwball etc.

SCOUTS AND GUIDES

M.M.P.S. is proud of training its students to choose the good and refuse the evil, to serve their fellow brethren in trouble and to lead clean, pure, good and innocent lives by associating themselves with the movement known as "Scouting and Guiding" started by General Baden Powell in England in 1908. Every scout has to obey the scout laws. A number of State Awards & President Awards achieved by the Scouts and Guides of the school for their worthy social services are proof of the active participation of the school in this movement.

HOUSE SYSTEM

The House System in the school offers an outlet to the latent qualities of the pupils on the platform of various inter house, inter school and zonal competitions.

There are four houses: Dahlia, Lily, Rose and Tulip. Every house is guided by two house in-charges who are assisted by one captain, one vice-captain, one sports captain and one cultural captain. The flower-based names have been imparted to the houses to spread message among students that like flowers they must develop the spirit of giving and making everybody cheerful by spreading the fragrance of their goodwill.

NCC (NATIONAL CADET CORPS)

N.C.C. training is one of the indispensable part of school activities. Cadets attend all the camps organized by the N.C.C. A regular training by the expert coach stimulates the feeling of patriotism and nationalism among the cadets.

MEDICAL

To meet medical emergencies and to make the parents aware of the medical status of their ward through periodic and precise health check-ups, a well-qualified doctor and well-equipped medical room is provided in the school.

BULLETIN BOARDS

The Bulletin Boards are maintained House-wise by turn and the students of every House get the guidance of the teacher incharge of the house to produce write-ups and paintings or drawings and also the help of the expert art teacher to decorate the Bulletin Boards. These are activities through which the students as well as teachers get enriched with the knowledge of current affairs and the latest developments in the subjects that they learn and teach respectively.

MUSIC

Students at MMPS are provided vocal as well as instrumental training by well-trained expert teachers. Our school choir has won many prizes in competitions held by the Directorate of Education and by various other cultural organizations.

ART & CRAFT

Special emphasis to provide artistic education to the students and to encourage them to take part in the competitions related to the activities is given from time to time.

ENGLISH CONVERSATION

English is the only language that is understood and is acceptable to almost all the countries of the world. Today it has become an indispensable part of the government administration, private business and medical profession. Thus, in order to make our students confident in their day-to day dealing with the outer world English Conversation has been made mandatory in the school

MORNING ASSEMBLY

Each day at M.M.P.S. starts by praising and thanking the Omniscient, Omnipresent Almighty who reigns over the whole universe and governs our lives through blue unknown.

Apart from this, importance is also given to the reading of news items and imparting of moral education in Hindi, English and Sanskrit. Special assemblies are held to celebrate festivals and days of national importance. Students take part in these assembly celebrations in large numbers and perform the items on the stage. All assemblies are headed by revered Principal of the school.

DRAMATICS

School respects all art forms and strives hard to promote all of them. So, the interested students are trained in the art of dramatics by the experts in this field. To create more awareness about dramatics among the students various workshops are also organised by the school.

NIE & PACE

To make the students aware of day to day affairs, the school has associated itself with the NIE and PACE programs of The Times of India and Hindustan Times respectively.

DANCE EDUCATION

M.M.P.S. provides Dance Education to its students. Students are given training in classical Indian, Western and Indian folk dances by expert teachers.

SCHOOL TRANSPORT

The School Transport facility is provided at the parents'/guardians' risk for the students to come to the school and to go to their home at nominal charges.

1. All efforts are made to bring and send the children on time; but in case of unavoidable circumstances like puncture, failure of machines and bad weather etc. the school is not responsible for providing the transport facility or to bring the children to the school or take them home.
2. The school authorities have no responsibility for any accident and/or injury etc. arising out of any mechanical negligence of the driver or the conductor.
3. The students will be picked up and / or dropped at the stops fixed by the authorities and the children are expected to be at their stops five minutes earlier. They are expected to board and alight from the bus in a line.
4. Discontinuation of the transport facility will not be allowed by a student during the session and every child has to pay the bus charges for eleven months only.
5. At present the transport facility is available within a radius of five km to the following places/colonies and can further be extended to any place/colony at the discretion of the school authorities. Shalimar Bagh, Ashok Vihar, Model Town, Derawal Nagar, Lawrence Road, Sri Nagar, Rajdhani Enclave, Santnager, Krishna Vihar, Pushpanjali, Rohini, Pitampura, Rani Bagh, Rithala, Chanderlok, Peeragarhi, Shastri Nagar, Paschim Vihar, Punjabi Bagh, Tri Nagar, Adarsh Nagar, Keshav Puram, Kingsway Camp, Moti Nagar and Adjoining areas.

PICNIC / EDUCATIONAL TOURS

Annual school excursions and picnics to various famous places and Indian states are organised to impart practical geographical knowledge to the students, to make them self-dependant, to enhance practical learning and to provide them a respite from regular monotonous school routine.

ECO CLUB

The main objective of Eco Club of the school is to work towards keeping the environment clean and green. Members of Eco-club through various activities like Tree-Plantation, Poster Making, Slogan Writing, cleaning the surroundings etc. try to make the people aware of the significance of greenery and cleanliness. Field trips are also organised to make the students aware of plants, animals and birds.

SCHOOL TIMINGS

L.K.G.-U.K.G. - 7:55 a.m. - 12:00 noon (Monday to Friday)
I to XII- 7:55 a.m. - 2:00 p.m. (Monday to Friday)

ATTENDANCE

Every pupil is expected to have 100% attendance. In case of illness/absence due to unavoidable reasons, the parents are expected to submit a formal leave application. Medical certificate must be attached with the leave application in case of illness.

SMART LEARN CLASSES

School is equipped with Smart Learn Classes which is an amalgamation of global pedagogy, technology adaptation (hardware and software) and effective state-of-the-art digital learning solution. It is layered, comprehensive and interactive. It aims towards increased retention, lifelong learning and thus ensures performance enhancement.

Smart Learn Class (SLC) program transforms a regular classroom into a technology-enabled classroom by equipping it with the requisite hardware and learning software.

It aims to reach out to multiple intelligences in the classroom. The concepts are developed to nourish a child's mental growth and stimulate inquiries in various fields of education. The hierarchial approach to content is so well created that it is neither difficult to teach nor to comprehend.

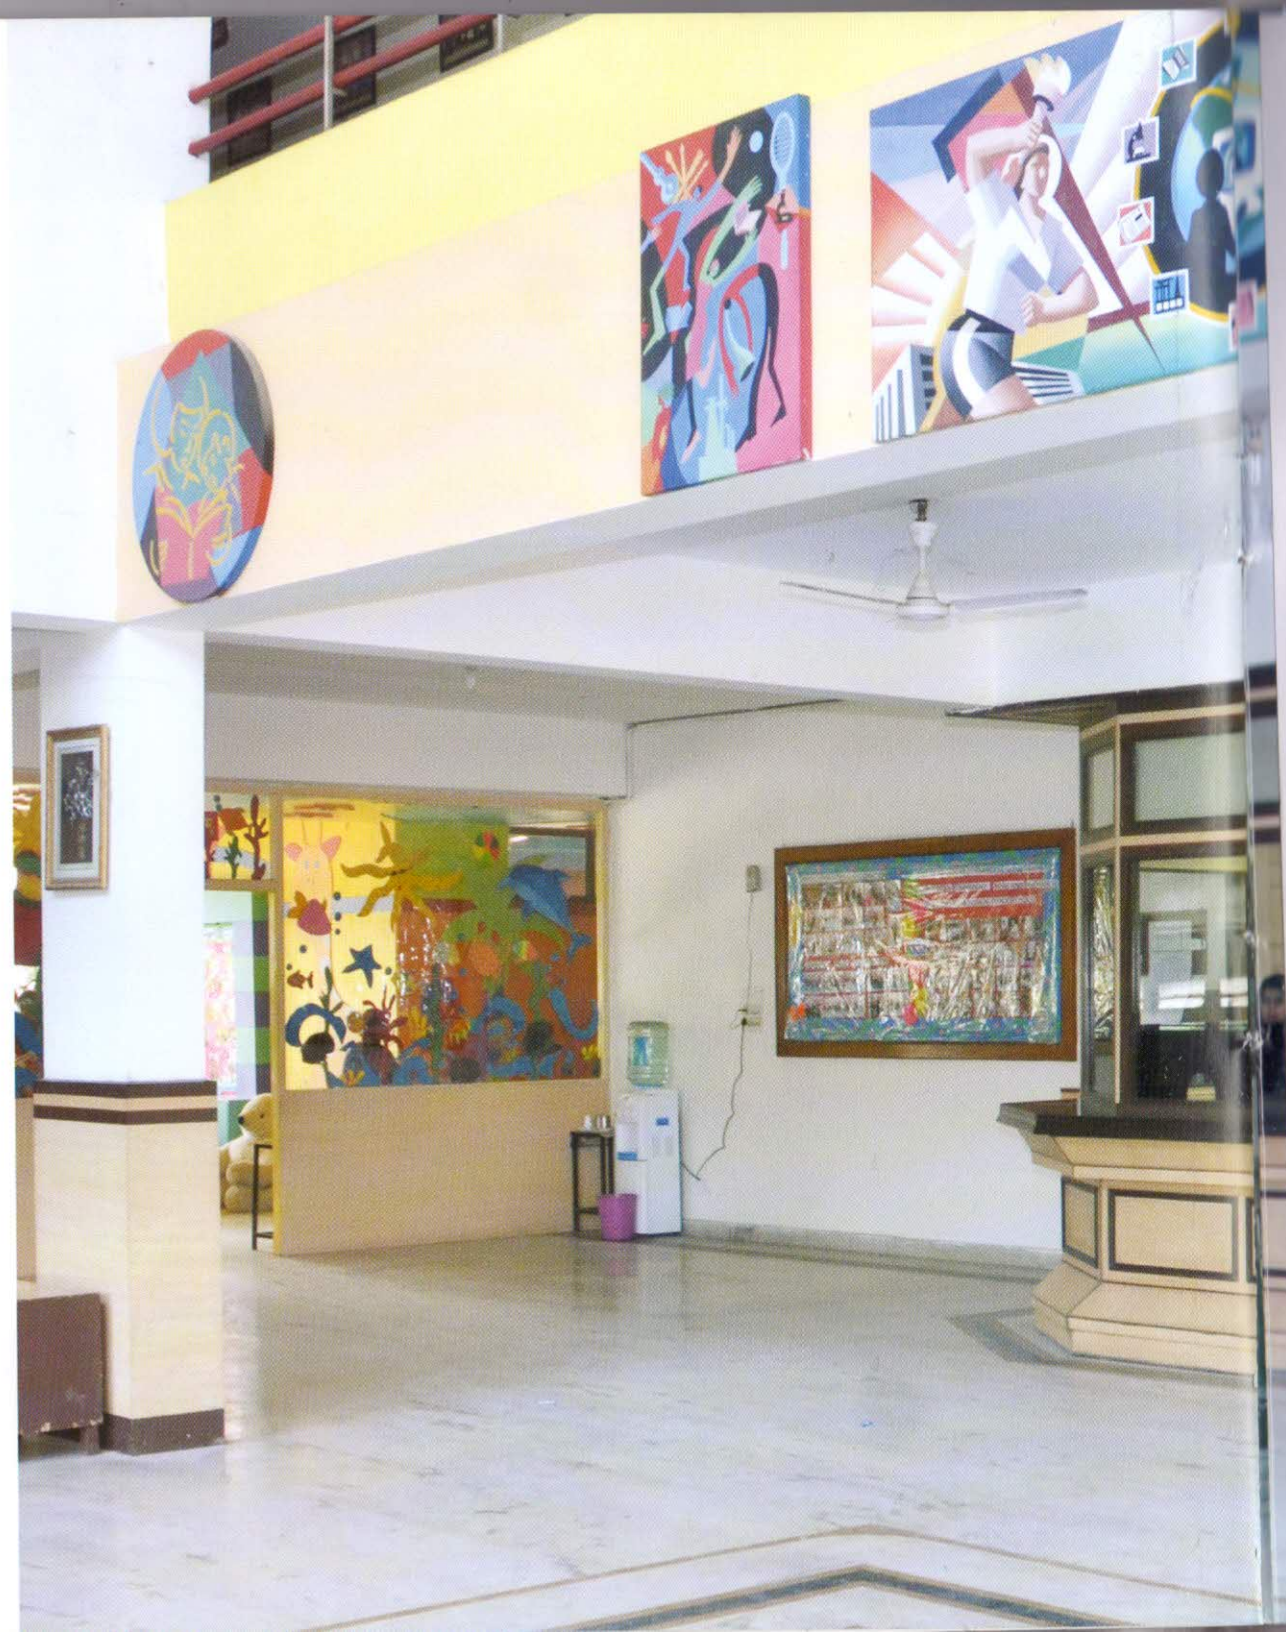

COUNSELLING

To satisfy the queries of ever wandering mind of a child; to help the students to overcome their problems in studies; to recognize their talents, interests and consequently help them in making a choice of a career, a well-trained team of Psychoanalysts and Counsellors is there in the school. Counselling is also provided to the parents to help them in upbringing their kids in a better way.

ROLE OF PARENTS

Co-operation of parents is sought in all matters pertaining to Physical, Emotional, Moral and Spiritual Development of the students. Parents are expected to play a complementary role in ensuring optimum efficiency of their wards.

They are expected to attend every PTM and meet the respective teachers to keep themselves updated on performance and well being of their ward.

ADMISSION

The child should be of 3+ yrs. for pre- school, 4+ yrs. for Pre-Primary and 5+ yrs for 1st std. as on 1st April for the following academic session.

Candidates seeking admissions to other classes have to take test for English, Mathematics, Hindi etc. as per the standards prescribed. After test selected is done on the merit, subject to the availability of seats.

Admission to class X and XII is not considered except in exceptional cases on the basis of academic record.

Recommendations or pressure from any corner means displeasure to school authorities resulting in disqualification. However parents/guardians are warned to be aware of people who pose as "Agents" and promise to secure admission in the school with payment of money. For further details log on to our website

www.mmpublicschool.com
