## EMPOWERING FUTURE LEADERS

***"Educating the mind without educating the heart is no education at all".***

*"Education is a window to the world and a powerful weapon to eradicate the evils of the society bringing in the winds of change to move towards progress." Our moral responsibility is to shape the future of our children, to channel their destiny in humane directions and to ease the trauma of transition"*

The power of transformational education is unleashed when students develop their own leadership potential and take action to bring positive change in the environment. We take pride in entrusting our students with responsibilities to bloom them into confident and dynamic front runners.

MBS International School is committed to provide the best quality education to its students. We mentor them to be versatile human beings, exposing them to various facets of life, best global practices, and innovative initiatives. Our excellent educational programmes are complemented with state of the art facilities and resources to facilitate a child's holistic development and groom him to take on the challenges of the future.

MBS, bubbling with vibrancy and energy is a school,

***Where knowledge is a priority,  
where values ingrained are not transitory,  
where education is remembered till eternity,  
where education is not a dream but reality,  
where dedication and passion go hand in hand,  
where decision- making is a balanced trend,  
where bookish knowledge is not a reckoning,  
where education is all about an awakening!***

We welcome you to visit and fathom the warmth and enthusiasm that is infused in our school ambience!

# MBS - A Citadel of Learning

MBS International School, benchmarked to international education standards, with a sharp focus on innovation and a stimulating learning environment, takes pride in providing a natural, holistic, student centric environment that empowers and inspires the mind, body and soul of all our scholars.

The school made an epoch making beginning in sprawling campus in Dwarka in the year 2009. The school grew from strength to strength within no time gaining distinction in the field of academics and co-curricular activities, firmly remaining committed to the cause of education in consonance with the emerging needs of the present.

# Our Core Values

To empower students through world class education and foster academic excellence, spiritual awareness, physical fitness, social consciousness and environmental concerns in students.

We envisage MBS as an intellectual commune of motivated students and dedicated teachers, engaged in active learning through the best of modern technology.

MBS, where mind is without fear, body is healthy and soul is pure, young individuals are nurtured in safe, tranquil and stimulating environment using enquiry based learning systems and reflecting project works.

Assurance of ample opportunities to every student so as to:

- Acquire self-discipline, thinking flexibility, reflective sensitivity, and inspiring inquisitiveness.
- Develop skills and attitudes which may help them to accommodate in rapidly changing world of a new Millennium.
- Explore optimum potential of academic, sports and socio-cultural activities.
- Inculcate respect for cultural, religious and linguistic diversity in society.

# MBS - A Happy School

## MBSians - Brimming with Joy

MBS is a happy school, where teaching is a delight and learning is bliss; where the child is the nucleus of the entire teaching learning process. Our teachers are like seasoned 'gardeners' who teach our young saplings the happy values of life, nurturing them with 'love, care and warmth' so in due season they may bring forth fruits.

At MBS, education with a holistic perspective is concerned with the development of every person's intellectual, emotional, social, physical, artistic, creative and spiritual potentials. It seeks to engage students and encourages personal and collective responsibility.

## Serene & Safe Environment

The school campus is planned to abide by the policy of healthy body. The concept of green campus is achieved by chemical and plastic free landscaping, resulting in fresh air to breathe and healthy environment to flourish.

Special air purification system is installed with centralised air conditioning system that ionizes the air to prevent spreading of contagious diseases and maintains infection-free, healthy environment.

## Library and Resource Centre

The School Library maintains a supportive and nurturing environment in building up the knowledge bank of students. The library contains resource material, books, audios and videos, that cover a panoramic spectrum of subjects to satisfy the urge to learn and curiosity that is so natural to the child. In

partnership with British Council, it also facilitates the teachers in their research for enhanced teaching programmes. The library is constantly up-to-date with the latest and also subscribes to various periodicals and journals.

## Strong Security Frame

Round the clock security of the campus is ensured through strategically located surveillance cameras and CCTV monitoring by trained security personnel.

School Transport facility is equipped with Vehicle Tracking System (VTS) which ensures traceability of bus routes and safety of students. Air conditioned school buses are accompanied by security personnels and caretakers as utmost security measure.

## School Labs

The school boasts of Hi-tech laboratories with latest equipments to enable the children to practically learn the concepts, thus enabling a practical learning approach.

## Community Outreach Programmes

Throughout the year, students are involved in numerous activities to sensitize them about pertinent global issues and concerns through celebration of weeks, special drives and campaigns to keep them socially aware.

The school has spearheaded noble initiatives in collaboration with Godhuli Senior Citizen Home, Family of the Disabled and Foundation of Handicapped Development, to inculcate the spirit of volunteerism & 'Service Before Self' in students. Our students take leadership roles in campaigns, drives and various sensitization enterprises to generate awareness and social consciousness.

## *Learner Friendly Environment*

Remedial sessions and Enrichment activities are a regular feature to help underachievers find support and avenues for raising self esteem.

## *Wellness Zone*

The Health Centre is managed by qualified medical professionals and is equipped with facilities to deal with day-to-day health concerns. Dental Health Camps, workshops and awareness campaigns are organized to reiterate good health and well being among pupils and parents.

## *Performing Arts*

The school is the cradle of creative pursuits and provides numerous opportunities to chisel multiple facets of personality of its pupils.

# Facilitating Learning

## 3D Lab Futuristic Learning

Integration of technology into the school curriculum is the need of the hour. We have collaborated with Eureka-3D Theatre, Designmate and Next Education to provide experiential and novel learning to our students.

## State of the Art Classrooms

Learner friendly environment is necessary to develop the creativity, curiosity, inquisitiveness, critical thinking, ability to adopt technology and analytical skills. At MBS, we believe that each child inherits different qualities and needs to be given opportunities to experience the joys of discovering, learning and growing up. Our classrooms are specially designed, optimally lit and fully air conditioned to enable students to learn his best. The school provides 'Smart Class'—computer enabled classrooms where pedagogically sound and visually rich curriculum resources are customized to the needs of the students and updated on a regular basis.

# Sharpening Minds

Courage Potential Respect  
Distinctive Unique Critical  
CURRICULUM  
Goals Programmes  
Methodology Honesty Innovative  
Responsibility  
Tolerance Loyalty

Our distinctive academic programmes and innovative teaching methodology encourage students to develop critical-thinking and learn through enquiry and reason, to exchange thoughts and ideas, to develop key personal and social values and to set goals to realise their own unique potential.

We regard moral values such as Responsibility, Honesty, Courage, Loyalty, Tolerance and Respect for others as the building blocks of a stable society.

Shaping young impressionable minds is one of life's biggest challenges. In MBS International School, we aim to empower our students to grow as individuals with strong open discerning minds, with an international perspective, preparing them to make a mark in the Global Village, the world has come to be today.

The school offers an extensive curriculum which guides all our students to realise their field of excellence and appreciate their worth as individuals.

# MBS - Establishing Excellence

There are extensive facilities for nurturing and honing the creative and sportive talents as an integral part of the students' growth. Set in a sprawling internationally styled campus environ, MBS is poised to be the nucleus of world class education, creating value conscious Global citizens dedicated to personal and professional excellence, reflecting a philosophy of creating a multicultural learning community of leaders who will lead by example.

## *Building Bridges - Our Global Initiatives*

MBS International School, is ever committed to generate prospects for its students to help them become independent, responsible, global citizens through learner-centric curriculum.

Our International Odyssey bore sweet fruits when the School was conferred with the prestigious International School Award instituted by the British Council for the term 2018-21. A new dimension to our international enterprise was reinforced with a meeting of the School Chairman with Seychelles President, Mr. Danny Faure.

Our students visited Embassy of Russia to participate in a Cross cultural event, organised by BRICS Chamber of Commerce and Industry and got an opportunity to interact with the Russian Ambassador, Mr. Nikolay Kudashev.

Gateways for newer learning were opened through collaborative and exchange programs with countries such as Afghanistan, Sri Lanka, Ethiopia, Nepal and Egypt. Our students participated in international activities, collaborative projects, wiki page designing and videoconferencing sessions with counterparts across the world. 'Shakespearean Play' was colourful portrayal of theatrical extravaganza, which culminated in a fruitful collaboration with Srijana Secondary School, Nepal. Online web portals like British Schools online website and e-pals are extensively used to partner with schools worldwide.

Fruitful rewarding Interactions and collaborations with peers from different cultures and beliefs have strived to help our students embrace an open minded approach to diverse cultural perspectives and establish tolerant societies.

# *Empowering Leaders*

## *The Student Leadership Programmes*

We empower our student community to benefit from the wealth of experiences, ideas, skills and sense of fun through a variety of inspiring, challenging, and valued projects which impact positively on learning and excellence such as:

- Travel and adventure opportunities.
- Fun fair and entrepreneurship excursions.
- Volunteering for community projects.
- Peer support system.
- Sharing Leadership and democracy in School Systems and structures.

## *Beyond the Classrooms Visits, Trips and Excursions*

Trips and excursions are a quintessential constituent of our school life. The students are frequently taken to various destinations of historical, spiritual and cultural significance to acquaint them with places and impart knowledge of languages, an appreciation of cultures, customs and traditions.

# *MBS School of Planning and Architecture*

**Sector-9, Dwarka, New Delhi-110075**

MBS School of Planning and Architecture, established in 2009 by the ACME Educational Trust is committed to impart world class Architectural Education. The quality education proffered in this pristine citadel has perched it among the 20 most promising Architecture Colleges of India and the iconic identity of the institution finds a radiant mention in the "20 most Promising Architecture Colleges-2018" in a survey conducted by Silicon India Magazine. The ranking is recognition of its scholastic achievements, co-scholastic feats, creative endeavours undertaken and Student Leadership programmes which has placed the establishment among the leading institutions today. The college challenges students to sap their competence through participation in various projects wherein they have won enviable achievements to their credits such as first ranking in International Photography Competition, Certificate Of Merit garnered for commendable thesis, Charles Correa Gold Award, National felicitation for Excellence in Architectural Thesis, etc. Their proposals and projects have been duly felicitated in the Online Entry Stage Of Multicomfort House Students Contest Edition 2017. In an outstanding feat, our efforts were also recognized by ScholarinkIndia. Our stupendous achievements in Zonal NASA Convention mirrors that the school nurtures students for whom success is synonymous with life.
