

Laboratories

PHYSICS, CHEMISTRY AND BIOLOGY LABS — The School has well equipped laboratories which help students develop a broad array of basic skills, especially experimental and analytical skills.

HOME SCIENCE LAB — In Home Science Lab, students are given adequate training in the fields of food & nutrition, clothing & textile, craft and home management.

IT LABS — GIS has well equipped Computer Labs for students for imparting them advanced computer skills under the guidance of trained mentors.

MATHS AND SOCIAL SCIENCE LAB — The Maths Lab and the Social Science Lab provide an opportunity to students to understand the basic concepts through concrete objects, models and charts.

ARTIFICIAL INTELLIGENCE (AI) — As teaching AI has become an increasingly indispensable part of the curriculum, we look forward to incorporate a fully-fledged Artificial Intelligence Lab at GIS shortly.

Excellence in Education

Truly World class

Adding value to life

About Us

Ganga International School, established in the year 1989, is a multi-disciplinary child oriented Senior Secondary School. It is recognised by the Directorate of Education, Government of N.C.T. of Delhi and is affiliated to the CBSE, New Delhi. It is a co-educational Residential Cum Day Schooling Campus providing a holistic and progressive educational experience.

Our Vision & Mission

At GIS we aim to nurture our youngsters to be the achievers of extraordinary determination, discipline and dedication, with special emphasis on ethics and values. We help students shaping into critical thinkers, effective communicators and responsible citizens.

Overview

GIS campus is spread over 20 acres in the lush green environment of Delhi away from the humdrum of the city. It has the well designed classes, fully equipped labs with audio-visual rooms along with spacious playfields, and courts. The school has an amphitheatre, hostels with the capacity of accommodating 800 students and a spectacular gym.

Academics

SCHOOL SEGMENTS - The school shall follow the reforms suggested in the NEP to ensure quality growth in the students at each stage of development from Kindergarten to the Secondary level.

Pastoral Care

The school closely monitors the educational and emotional well-being of students providing them 'a home away from home' environment.

The school hostels accommodate 800 students in – 4 Senior Boys Hostels, 1 AC Hostel, 2 Junior Boys Hostels and 2 Girls Hostels. Each hostel is aesthetically designed to provide a relaxed and congenial atmosphere. A well-planned routine from 5:30 am to 9:30 pm is provided to students right from studies to play, rest to entertainment. About 50 faculty members live with their families which provide students a homely environment for the healthy growth of children.

Library

Our spacious and well-maintained library is helpful to every member of the school community. It helps them gain skills and knowledge for overall development by providing them access to all kinds of books.

Reading is to empower the mind.

Co-curricular Achievements

GIS believes in incorporating **Co-Curricular Activities** to develop problem-solving, communication, and collaborative abilities among the students. We have accomplished achievements in many zonal activities like:

Inter-Zonal Patriotic Song, Kala Ratna Award 2019, Hindi Skit, Extempore, Competition Hindi Essay Writing Competition, English and Hindi Debate, English Declamation, Zonal Orchestra Competition, Zonal Athletics Competitions.

Sharpening skills with Korean students

Elevating ideas with USA delegates

Strengthening ties with students of Denmark and Britain

School Mess

The Mess at GIS provides a balanced diet and best quality of nutritious food prepared under hygienic conditions. Proper supervision is done by teachers while serving the meals to students to inculcate table etiquettes amongst the students.

Champions always play as one.

School Achievements
