Specialised Competitive classes with Extra efforts to bring each students at par

Very Well Planned and Scientific Schedule of Teaching

KPS Beyond Academics Advantages

Robotics: The students are exposed to the latest technology where they develop analytical bent of mind through robotics in hand practices.

Vedic Maths: KPS provides its pupils to be an expert in all spheres and get rid of math phobia through Vedic math techniques.

Outdoor Sports: Various outdoor sports like Football, Cricket, Tennis, Athletics etc. keep students fit as it is said *Healthy body keeps healthy mind.*

Indoor Sports: Various Indoor games like Chess, Carrom, table tennis, Snooker etc. gives students break and this works as a stress buster.

Excursions: Excursions play an integral role in widening a kid's horizon and raises his/her social media quotient.

Traditional Values : Our unique Sanskarshala helps the kids strengthen their traditional values.

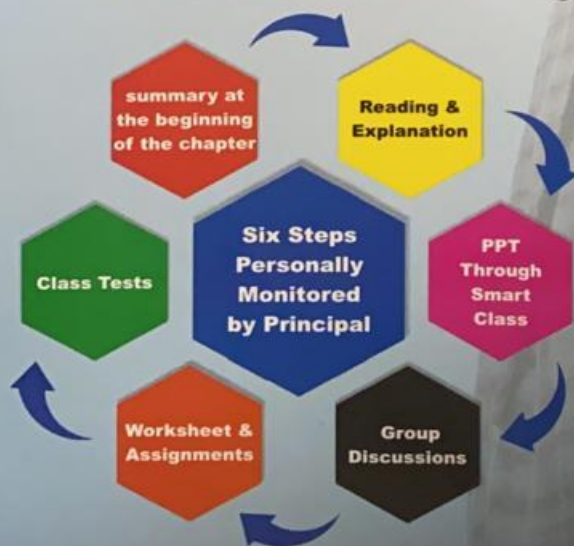

Spoken English: There is a lot of emphasis on Spoken English skills. We promote the idea of communication in one language, to maintain uniformity and make our kids future ready.

Abacus: Apart from Vedic Maths, learning ABACUS helps the kids become well versed and think analytically.

Recreational Activities: Art & Craft, Dance, Music, Singing, Acting etc are the best ways to unwind, relax and be refresh themselves.
