HOLY CHILD PUBLIC SCHOOL
BPTP Parklands, Sector - 75, Greater Faridabad, Haryana

From the Chairman's Desk

Dear Readers,

It gives me immense pleasure in presenting News Herald – 2018-19. Holy Child Public School was founded in 1976 and has completed more than 42 years of its existence. The school is being managed by a team of Ex-Army Officers, Educationists and Prominent Social Workers with main emphasis on discipline, punctuality, honesty and hard work besides academics.

We believe that each student is a precious gemstone, which we carve, mould and polish to bring out its natural shine. We also believe that education not only imparts bookish knowledge but inculcates humanitarian values like wisdom, compassion, courage, humility, integrity, reliability in a student. It is for this very reason that we endeavoured in the field of Education.

We strive to unearth every child's talent and provide opportunities to enable them to discover something exciting by offering a wide variety of challenging, enjoyable and curricular opportunities, athletic programmes, performing arts and musical programmes. Our students are our main focus and we are proud of our continuous goal of providing an excellent education to our students.

In the current scenario, the need of the hour is to impart Moral Education, Time Management & Ethics to the students. Unless we don't inculcate these qualities in a child, the education is meaningless. We at Holy Child Public School ensure that, these qualities are deep rooted amongst children. Our Aim is not only to produce Good Scholars but also Good Citizens of India.

The school offers its students the best possible facilities and a very competent teaching faculty. The students have to be hard – working, disciplined and respectful so that they derive maximum benefit out of their stay at the school.

I take this opportunity to thank each one of you for your contribution in many ways in making the education effective. I wish each one of you almighty's grace and peace.

In the end I thank all the Staff Members and Parents for their whole hearted support and co-operation without which Holy Child Public School would not have reached this milestone.

Capt. (Retd.) R.K.Bhatia
Chairman

Annual Report

Education is the learning of facts, training of minds to think and a medium to mould millions of minds. The role of a teacher is pivotal and demanding which needs persistent efforts for the improvement. At Holy Child Public School, we have been working very hard to groom overall personalities of the students. The annual report of the school is presented here briefly, the details of which you will find in the subsequent pages.

CO-CURRICULAR ACTIVITIES

Co-curricular activities have vital role to play in a student's life. They help in the development of various domains of mind and personalities such as intellectual development, emotional development, social development and moral development. Hence equal importance is given to co-curricular activities.

Our 8 students participated in Shloka and Chaupai recitation from which 4 students of our school got selected for District Level and won the first position. At Bharat Vikas Parishad National Group song competition and Folk Song our students bagged 2nd position at District level, 1st position at State Level and 3rd position at National Level. **Ritika Harshi** bagged 1st position in Poster Making, **Mantra Bhardwaj** bagged 2nd position in Best Dramebaaj and **Geet Goel** bagged 3rd position in Fancy Dress Competitions in District Level at Bal Bhawan.

Kumar** added feather in the glory of the school by bagging 1st position at District Level and Zonal Level in Solo Dance Competition.

Our Computer techies participated in 'Evolve'-Annual Tech Fest at DAV Sec 37 and made the school proud by bagging 2nd position in 'Scratch-O-Mania' and - 'Digi-Dhan' (Tech-Rangoli) and 3rd position in 'Digi-Writer' events.

SPORTS

Sports is an integral part of the school curriculum. Students have been producing remarkable results year after year under the able guidance of the expert coaches.

Our Table Tennis, Volleyball, Gymnastics, Karate, Lawn tennis, Yoga, Swimming, Taekwando and Wrestling teams performed marvellously at different levels and brought laurels to the school.

The piper band of HCPs made us proud through its performance. Our Band got selected for All India National Level School Band Competition at Tyagraj Sports Complex New Delhi by defeating different teams at Haryana State Level Inter School and Northern Zonal Level Inter School Competition.

It was indeed a very proud moment for the school.
