WELCOME TO MRIS

For over two enriching decades, **Manav Rachna International Schools (MRIS)** have been at the forefront of shaping future-ready learners through a dynamic blend of academic excellence, innovation, and emotional intelligence.

Rooted in the rich legacy of Manav Rachna Educational Institutions, MRIS offers a progressive, nurturing environment where students are empowered to explore, question, and lead with purpose.

With eight vibrant campuses across NCR, Mohali, and Ludhiana, MRIS is a trusted name in education - where tradition meets transformation, and every child's potential is brought to life.

VISION

To place the child at the heart of learning, enabling them to become transformational leaders through understanding, knowledge, and skills that drive innovation and shape a better future for all — while emerging as the preferred global choice in education.

“

”

OUR CORE VALUES

STUDENT CENTRICITY

We prioritise the needs, growth, and holistic success of our students.

With a focus on self-directed learning and tailored educational experiences, we cultivate student engagement and success in a dynamic and supportive learning environment.

INTEGRITY

We uphold the highest standards of honesty, ethics, and transparency.

Our commitment to integrity extends to all aspects of our operations, fostering trust among students, staff, partners, and the community while respecting our principles.

INCLUSIVITY

We ensure every student is welcomed, heard, and empowered.

We strive to create and nurture an ecosystem which values the richness that different perspectives, backgrounds, and cultures bring while fostering an inclusive environment.

EXCELLENCE

We continue to improvise and strive for the best every day.

Our commitment to excellence is mirrored in our strategic use of technological advancements, and knowledge exchange with our industrial and academic partners benefitting all stakeholders.

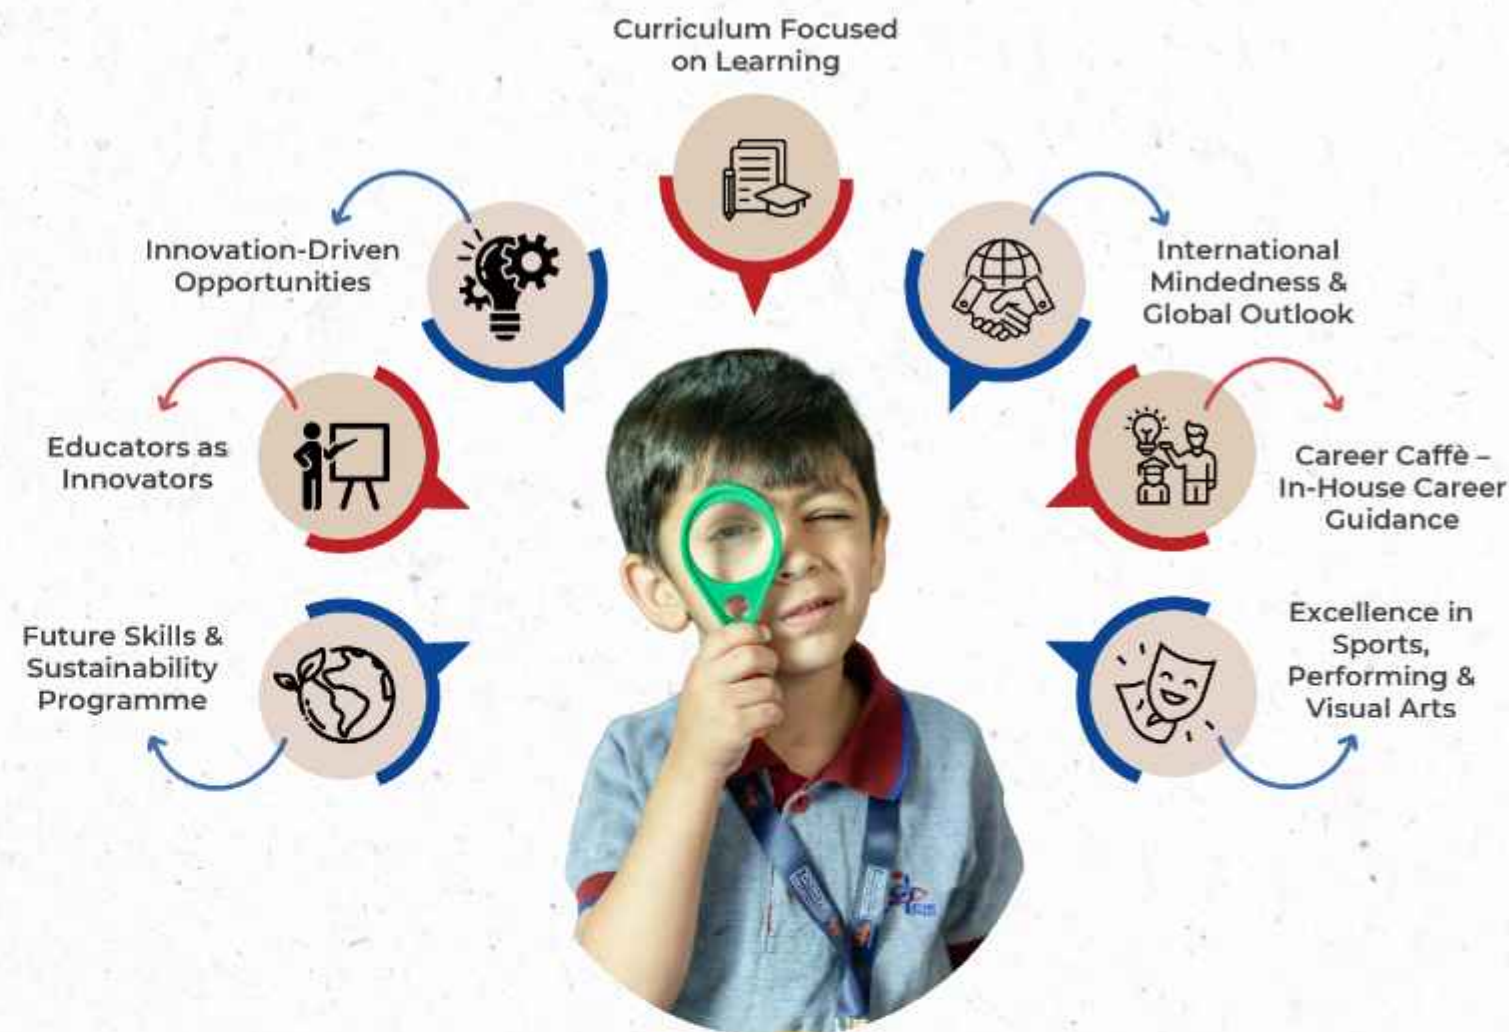

SUSTAINABILITY

We embrace sustainability, as our guiding principle.

Our initiatives extend in and beyond academic walls, promoting responsible practices and social responsibility that safeguard the environment and contribute to the well-being of community.

WHAT SETS MRIS APART?

EMPOWERED EDUCATORS TRANSFORMATIVE CLASSROOMS

Co-learners | Facilitators | Innovators

At MRIS, Our Educators are learning designers who:

- **Ignite curiosity** through engaging, inquiry-driven learning
- **Foster independence** by encouraging student voice and ownership
- **Craft experiences** that prepare students to thrive in a changing world
- **Build future-ready citizens** with the skills, mindset, and values to lead

CURRICULUM & PEDAGOGICAL APPROACH

Two Pathways. One Purpose – Future-Ready Learners

At Manav Rachna, we offer both the **CBSE** and **IB** curriculum, giving parents the flexibility to choose a pathway aligned with their child's learning needs and aspirations.

CBSE

- 01 Academic Rigour
- 02 Inquiry Led Conceptual Clarity
- 03 Blended Approach With Real-world Connect
- 04 Focus on Competency and Skills

IB

- 01 Inquiry-Led, Transdisciplinary Learning
- 02 Global Citizenship & Intercultural Understanding
- 03 Reflective, Process-Focused Assessments
- 04 Student Agency & ATL Skills

Where Curiosity Leads Learning

EARLY YEARS AT MRIS

In the Early Years, MRIS nurtures young minds through play-based, experiential learning experience. Our thematic and inquiry-driven framework sparks curiosity, imagination, and develops foundational skills in every child.

LANGUAGE & LITERACY

NUMERACY

MOTOR SKILLS

ARTS & EXPRESSION

SOCIAL EMOTIONAL WELLBEING

Core Learning Areas

PRIMARY YEARS AT MRIS

The Primary Years at MRIS focus on building solid academic foundations, conceptual understanding, and life skills while nurturing curiosity, creativity, and confidence. Our pedagogy blends structured curriculum with hands-on experiences and future-ready learning, in alignment with NEP 2020.

Building Strong Foundations with Purposeful Learning

MIDDLE YEARS AT MRIS

Where Rigour Meets Real-World Readiness

The Middle Years at MRIS build depth in subject knowledge while expanding real-world awareness and interdisciplinary thinking. This is where learners become independent thinkers and contributors equipped with essential skills, global perspectives and an in depth understanding of their role in the community.

Beyond Academics

**MEDIA
SHALA**

**MAKER
SHALA**

**FASHION
SHALA**

SENIOR YEARS AT MRIS

Shaping Independent Thinkers for the Road Ahead

In Grades IX and X, our curriculum balances academic excellence with career clarity and self-leadership. With structured learning, skills training, and personalised guidance, MRIS prepares students to succeed academically and beyond.

SENIOR SECONDARY YEARS AT MRIS

Empowering Futures with Choice, Challenge & Clarity

The Senior Secondary Years at MRIS empower students to specialise through a variety of subject choices, guided by highly experienced and skilled educators. With personalised career guidance and global exposure, learners are prepared to excel in School and beyond.

COMPREHENSIVE LEARNING FRAMEWORK

Diverse Subject Options

20-25 subject choices

Global Exposure

International collaborations, exchanges, and alumni connects

Career Guidance

Indian & International University Guidance

Industry Experience

Real-world learning through industry projects, expert sessions, and internships

BEYOND ACADEMICS BEYOND BOUNDARIES

**Learning doesn't end with the bell. At MRIS,
it expands into every corner of a student's world.**

VOICE & EXPRESSION

From TED-style talks and podcasts to street plays and Model UN, students learn to question, express, and influence with confidence.

SPORT & SPIRIT

Professional coaching, team leagues, inter-school championships - sport is how we teach resilience, teamwork, and grit.

INNOVATION IN ACTION

Student-led startups, app-building challenges, community research - our learners don't just imagine change, they create it.

SOCIAL IMPACT

Through outreach drives, inclusion campaigns, and sustainability missions, students take charge of real-world problems — with empathy and action.

THE SHALAS WHERE INNOVATION COMES TO LIFE

**Real-world skills. Real-time exploration.
That's the power of the Shalas at MRIS.**

MEDIA SHALA

Students become content creators, podcasters, filmmakers, and storytellers — mastering visual and digital communication.

FASHION SHALA

From mood boards to final fittings, students explore fashion design, styling, and sustainability through real-world projects.

MAKER SHALA

Wood, metal, circuits, cardboard- it's all fair game in this hands-on lab where students design, prototype, and build with purpose.

TINKER SHALA

Robotics, coding, AI, 3D printing- students experiment with emerging technologies and build tomorrow's solutions today.

CAREER CAFFÈ AT MRIS

Guiding Futures. Empowering Choices.

At MRIS, career guidance isn't an add-on — it's a thoughtfully embedded journey. Career Caffè, our in-house career guidance ecosystem, supports students from early exploration to final admissions, ensuring every learner finds clarity, confidence, and direction in their next steps.

Career Counselling

Personalised guidance through assessments, sessions & workshops

Test Prep Support

Strategic coaching for SAT, ACT, CUET & more

Profile Building

Mentorship via internships, projects & initiatives

University Advisory

End-to-end help with college applications & scholarships

Global Exposure

Career fairs & application days with top universities
