School**

## ABOUT US

The Maurya School is an institution having a firm faith in its guiding principles of discipline, honour, integrity, social responsibility. We instill these principles as the bedrock of character in the children entrusted to our care. The Maurya School emphasizes on empowering students to discover their own learning styles and becoming proactive learners. The school believes in encouraging initiative and creativity in its students so that they grow up to be self-confident, thinking individuals. The Mauryans are vibrant community of student achievers who wear their school name proudly, standing out as capable ambassadors of an elite institution.

## HALL OF FAME

- *The Times School Survey* ranked The Maurya School among the top 'challengers' in Gurgaon and forecasted that the school could grab the top spot from the 'leaders' in the blink of an eye.
- The school has been adjudged one of the best institutions for its Edu Destination in the field of 'Social Footprints' by digital LEARNING School Ranking Survey 2016.  
The Maurya School has been ranked among the top 15 schools in the city by digital LEARNING School Ranking Survey 2016 and 11th in their 2017 Survey.

- The School has been ranked among the top 15 schools in Gurgaon in the prestigious Education World India School Ranking in 2017.

## SPECTRUM

*Spectrum is an Annual Exposition held every year in our school on various topics on a particular subject.*

## PARICHAY

With the objective to help students unleash their hidden talents, The Maurya School hosts the annual interschool competition Parichay – The Talent Buzz. Different schools participate in a plethora of competitions like Nukkad Natak, Clay Modelling, Salad Fun, Pivot Animator, Button Art, Dance Competition, Fancy Dress etc.

## KIRTI – THE CRAFT BAZAAR

Following the trend of our school, 'Kirti – The Craft Bazaar' is organized every year on Dussehra on the school ground. On this day, parents along with children experience a fun-filled evening by participating in the different games and activities like nail art and clay wheel to mould creative items. Our students proudly display their artwork in the stalls. The event concludes with the main attraction of the day... the burning of the effigies, showcasing the victory of good over evil.

## Wow Day

Children are a true reflection of their parents especially the mothers. A mother will always set aside her dreams to ensure that her child gets the best. So, every year The Maurya School organises an event 'Women of Worth' to honour the moms and provides them with a platform to showcase their talents.

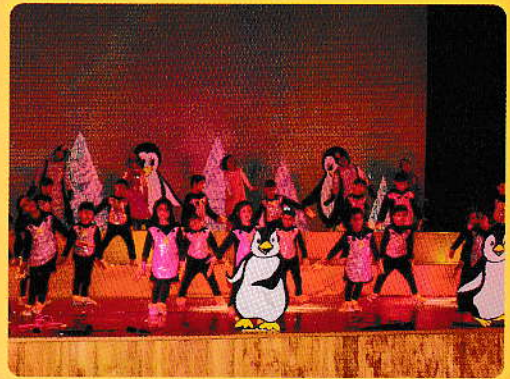

## THEATERAMA

Theaterama - The Annual Cultural Extravaganza showcases the school's finest talents of the students in theatre, music, dance and art with 100% participation.

## HUES

The Maurya School celebrates its Annual Pre-Primary Event 'Hues' with great exuberance and enthusiasm. The tiny tots always leave the audiences enthralled with their charismatic ballet – a celebration of dance and drama.

## TRIPS, EXCURSIONS, NIGHT CAMPS

Memories of school trips are among the most prominent of the formative years and are looked forward to, by both students and teachers. We, at The Maurya School, agree with the fact that trips serve as an effective tool to reinforce the teachings of the class and provide unique opportunities for kinaesthetic learning i.e. 'learning by doing'.

## STUDENT EMPOWERMENT

In our continuous endeavour to empower students, various workshops are conducted so that they get a chance to take part in interactive, informative and eye-opening sessions on topics like Good Touch Bad Touch, Empathy-The Value of Respect, 3 R's of Growing Up, Knowing Oneself, Career Counselling, Web Rangers, Cyber Safety, Informative Career Counselling, Keys to Success, Stop Bullying, Stop Stealing, Narcissism to name a few.

## ASTRONOMY WORKSHOPS

Astronomy workshops bring together the like-minded enthusiasts, who are eager to learn more about the space and the sky. We, at The Maurya School, attempt to bring interest and awareness in the field of Astronomy and Space Research. The workshops include interesting activities like The Rocket and their Lift Off, Magnificent Family of Sun, Discovering the Skies and Cast Your Own Planet. etc.

## 3D PRINTING

3D Printing Activity is offered to the students of Classes VI to XI which exposes them to a new facet of printing. It is a process of making three dimensional solid objects from a digital file and further enhances the creativity of the students.
