All the events organized by the school, are memorable.
Like graduation day, sports day etc. were wonderful. The school has a very well balanced routine for kids with ample indoor & outdoor activities.
We see very positive impact on yashasvi.

PARENTS SPEAK

Tehzeeb is happy in her class and enjoys her school very much. Her focus on studies has increased and she is working towards improving her skills. She expresses her emotions really well. I have observed huge difference in her.

**Parent of TEHZEEB
(Grade - 1)**

We have seen a lot of growth and improvement in Ruhvika. She has learnt the golden words, behaves nicely with elders and has learnt table manners. We are satisfied with the school and will recommend this school to our relatives and friends. Keep it up!

**Parent of Ruhvika Bajaj
(Pre-Nursery)**

Overall we are very happy with Chalk Tree Global School and teachers too. We are happy to see the progress of Saket in this School. Saket has started mixing with his friends in our society. Overall, VERY GOOD!

**Parent of SAKET VINEY VARNE
(Grade - 3)**

Kabir is getting involved in many activities. He is enjoying coming to school. He loves Stuti Ma'am. He follows instructions properly. He can now perform small task by himself. I am happy to see changes in him. He enjoys all school activities. Class Presentation by kids was awesome, thanks Stuti Ma'am & and team.

CURRICULUM

Chalk Tree renders a platform that nurtures thinking skills and creativity along with *academic excellence* thus leading to the *overall development* of a child. The school follows an integrated approach towards learning. The core of our school is formed by the curriculum that is conceptualized by our *highly skilled and constantly innovating team* who derive inspiration from many renowned *educators and thinkers*. We follow a multi-modality learning curriculum that enables children to reach desired levels of understanding by using their various *faculties and intelligence*.

The key to achieve these is through

SOCIO-EMOTIONAL DEVELOPMENT

Enabling children to connect with their inner self and making them sensitive towards the thoughts and feelings of others and their surroundings.

ACADEMIC DEVELOPMENT

Ignite curiosity in children to foster a love for learning. Focus on cultivating affinity towards reading for pleasure.

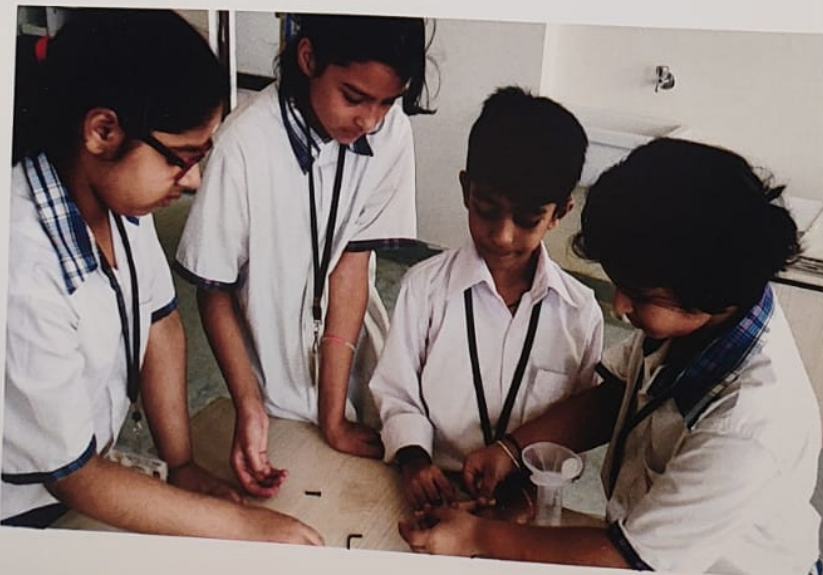

CREATIVE DEVELOPMENT

Nurturing originality and empowering children to explore and innovate.

LIFE SKILLS

Each child is unique and is a repository of immense potential and unbounded possibilities. Our curriculum focuses on an integrated approach where life skills are nurtured through day to day transactions with the children.

• Emotional Corner • Goal Setting • Self-Care • Independence

Highly satisfied with method of teaching- my child enjoys going to school everyday and it is her second home. Really appreciate the efforts of her class teachers and entire school management for taking good care of my child.

TEACHERS

*Committed and Effective teaching staff
having vast experience.*

Teaching style of the teachers is quite impressive. I find that under the able guidance of teachers, child performs excessively well. I am really thankful to his teachers as they take care of Shaurya like mothers. We are proud because the school strives for quality in all the things.

Parent of Shourya Kadian (Grade IV)

We are very happy with the school and teachers. She is growing and learning a lot day by day. So we are thankful to the school and teachers for helping my child in her growth.

Parent of Maysha Bhatti (Pre-Nursery)

I would like to appreciate the teacher's efforts to acknowledge and praise Nirvaan for whatever he brings for show and tell. It really encourages my son to show and tell more about things. The school admin team and teachers are very approachable and cordial. We are very much satisfied with the support of the school.
