BRIGHT AVENUE SCHOOL

A path towards a "brighter" future

एक सुनहरे भविष्य की ओर.....

Why Choose Us?

Bright Avenue School has Exclusive Programme Designed to Crack IIT/NEET/NDA/CPT/KVPY/NTSE/OLYMPIADS and other Competitive Exams.

True to its motto, Bright Avenue School, offers world class infrastructure, unmatched academic environment, competitive exam based curriculum, innovative teaching techniques and opportunities for a life time of learning. The well trained staff believes in broadening the horizons, encourages out of the box thinking and problem solving skills right at the initial years. School's objective is to effectively develop abilities to enable students to meet the challenges of an ever changing competitive world.

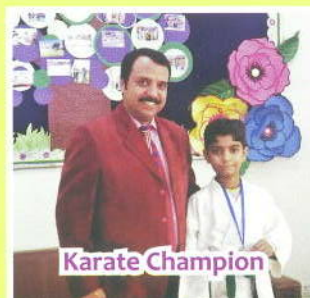

- Students are exposed to logical reasoning from Class 3 onwards for preparation of various State and National level **OLYMPIADS**.
- Extra hours of training and continuous assessment of **ACHIEVERS BATCHES** is provided from Class 6 onwards.
- To enhance students' performance special coaching is provided to **NTSE** batches of Class 9 and 10.
- School runs an integrated class room programme of **SUPER 30** of grade XI and XII. Professional coaches are engaged to develop problem solving skills.

Career Counselling Department

School also has a Career Counselling Department which helps the students in choosing their career. The Department provides information regarding Medical, Engineering, NDA, CA, BBA etc. Various sessions are organized from time to time to guide the students for entrance tests of different competitive exams.

Principal's Message

THE JOURNEY OF A LIFETIME.....

Students learn today to improve their tomorrow and it is the school which prepares the students for life. Schools are the grooming ground for the leaders of the future. With the foresight into the skills required for the world of tomorrow, **BRIGHT AVENUE SCHOOL** focuses towards moulding all rounded well groomed personalities with a vision.

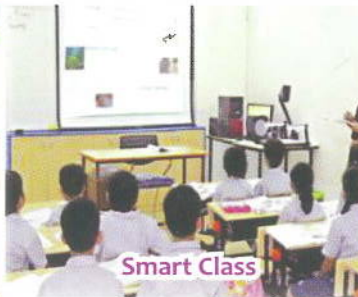

In order to keep pace with world, we have to make the students multi-taskers, go-getters and responsible citizens. We work towards broadening horizons, encouraging out of the box thinking and developing problem solving skills. Early exposure of students towards **National and International level competitions** enables them to meet challenges of an ever changing world. Instead of stressing on securing more and more marks and forcing the students to join the rat race, **BRIGHT AVENUE SCHOOL** focuses on imparting life skills so important to survive and make careers. We motivate the students to dream and aspire for the very best in the world and be the agents of change and progress in the years to come.

Library Cum Reading Room

The school has a rich library where books ranging from all time classics to contemporary, ample reference books and support material for board and competitive exams are available for children. In order to keep the students abreast with the happenings around the world, the library has all the national dailies, periodicals and monthly magazines. To inculcate and ensure reading habit every class is assigned library periods.

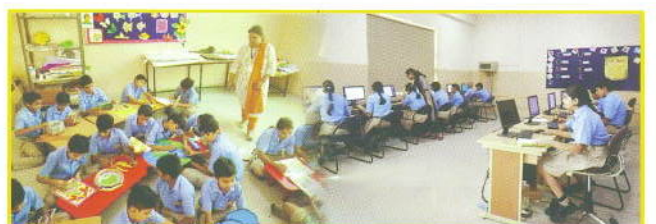

Intelligent Robotics Lab

Building robots may sound like science fiction, but robots are a very real part of today's world. Besides being just plain cool, robots are practically useful as tools in fields from manufacturing to space exploration to surgery. Becoming more familiar with robotics can lay the foundation for a career at the cutting edge of science, or at very least, a better understanding of the ways technology can be used to solve real-world problems.

Clubs

To kindle the innate talents of the children a number of clubs are available, e.g. Yoga, Bits and Bytes, Personality Development, School Publication, Eco Club etc. The club members not only get the required condition to channelize their hobby instincts but also spend their leisure time constructively.
