STAFF

GIS has a well-qualified, dedicated, diligent and experienced team. The administrative team provides leadership toward the achievement of the school's strategic initiatives and vision. Management of the school believes that the fuel of inspiration keeps the flame of the quest for learning and delivering, flowing in rhythm with the zest of life. The school's experienced staff helps to ensure professional management of resources and facilities. Together, we form a team that focuses on the care and education of our students, in partnership with parents.

INFRASTRUCTURE

GIS, Kablana stands with lush green lawns all around. The magnificent building surrounded by beautiful lawn and playfield is a feast for the eye. The state of the art infrastructure caters all the requirements of its students till the Senior Secondary level. Every nook and corner of the building is under the surveillance of CCTV.

The School has well equipped Mathematics, Biology, Chemistry and Physics Labs, along with Composite lab, Geography lab, Computer Labs and Audio Visual Lab.

- ▶ **LIBRARY:** School maintains well furnished library which has around 9500 books including encyclopedias, journals, and reference books. The School subscribes newspaper and magazines for students and teachers.
- ▶ **GAMES AND SPORTS:** The school provides facilities for all games like Football, Basket Ball, Volley Ball, Hand Ball, Badminton, Kho-Kho etc to encourage healthy competition, character building and physical stamina. Inter-class and inter-house competitions are held in all available games for senior and junior boys & girls every year.
- ▶ **MUSIC AND DANCE:** The school has provision for vocal and instrumental music through which students are trained in various forms of performing arts and also learn to be creative and coordinated.
- ▶ **ART AND CRAFT:** Art & craft is aesthetically decorated with drawings/paintings/ artefacts prepared by the students. It is the hub for students to express and hone their artistic abilities
- ▶ **TOURS AND EXCURSIONS:** The school conducts educational tours and excursions from time to time to make students aware of India's rich heritage and rapid transformation. These trips & excursions create memories that remain etched in the minds forever.
- ▶ **HEALTH & WELLNESS:** Health & wellness club in school favourably influences the habit, attitude and knowledge related to an individual and community. It modifies students behaviour towards the attainment of optimum health. School organizes health programmes time to time which aims at promoting health and well beings of children.
- ▶ **WORKSHOP AND COUNSELLING:** GIS organises conferences, workshops and seminars on monthly basis for teachers and students.
- ▶ **COMMUNITY AWARENESS:** GIS staff and students organize various rallies and awareness campaigns time to time for spreading awareness regarding various social issues like "save girl child", "effect of alcohol", "personal hygiene" etc
- ▶ **SPECIAL ASSEMBLIES:** To encourage communication in both social and academic environments among all members of the school community. GIS follows the tradition to welcome all important days through special assembly.

TRANSPORT

GIS has a large fleet of buses which ply within the radius of 15-20 km by the competent drivers keeping in mind the safety of the students. The school provides a huge parking area in the campus

COMPETITIONS

GIS enables and provide every student the opportunity to participate in various national level exams or competitions for their exposure to the greater competitive world. Inter School and Inter House Competitions are also organized regularly to tap students' potential and hone their skills.

CULTURAL CELEBRATIONS

To facilitate students to experience the beauty of colours, enjoy the melody in sounds and to make them aesthetically alive. GIS organises various celebrations on the occasion of national & religious festivals which enable students to experience the rich and vibrant Indian culture in all its facts.

HOUSE SYSTEM

House activities are an integral part of the school curriculum . It represents unity in diversity. The entire school, including the staff members are divided into four houses

1. Alkanda
2. Bhagirathi
3. Gangotri
4. Mandakini

Each house is under the charge of house incharge and it's own captains who are responsible for the tone of discipline in that house. House loyalties are very strong in students. Rolling trophy is awarded to the best all round house every year after taking into account the achievement of every house.

ACADEMICS

Academics of GIS is based on a diverse curriculum that develops student's core skills and knowledge for success in school and beyond. Small classes, research -driven strategies, explicit skill instruction and clear learning objectives ,coupled with a belief that all students learn differently , form the foundation of our academic program. To sensitize students towards environment and other beings is a special focus.

- ▶ **THE PRE-PRIMARY WING:** The IIDOTS curriculum of the pre primary wing focuses on development of Language Skills, Mathematical Skills, Analytical Skills and General Knowledge, through the concepts of dabbing, show and tell, activity based, story telling etc. The students understand each concept introduced in their classrooms thoroughly. The cognitive and fine motor development of students is ensured in a planned manner.
- ▶ **THE PRIMARY WING:** It is said that "if you want to teach something that is important, then there is more than one way to teach it". Multiple intelligence is used as an inventory .Primary wing of the school integrates all the skills such as Artistic, Dramatic , Linguistic , Logical etc. with the concept being taught so that a broad and Scientific Temperament is developed powered by LEAD School..

- ▶ **THE MIDDLE WING :** A lot of efforts go into making pure science and other subjects interesting by introducing teaching aids which upgrade the skills and learning of the students through interactive sessions powered by LEAD School.

- ▶ **THE SECONDARY & SENIOR SECONDARY WING:** GIS follows the CBSE pattern and is driven by a result oriented team of teachers who blend values with the curriculum and prepare the students for excellent board result as well as competitions. The school is fully equipped for all subjects with qualified teachers and laboratories. School also arranges career counselling programmes for the students, on regular basis with special focus on Personality development and Communication skills.
