

PROSPECTUS

LET'S UNLEASH THEIR POTENTIAL

FULFILLING DREAMS THROUGH EDUCATION

Dr. P. Narayana
Founder, Narayana Group

Sindhura
Managing Director

Narayana group, Asia's largest educational conglomerate with 400000+ students and 40000+ employees in over 630 centers spread across 16 states, is the pride of India. Narayana group consists of Junior colleges, schools, Coaching Centers, Medical, Dental, Physiotherapy, Pharmacy, Nursing and Paramedical Colleges along with Engineering Colleges and Coaching Centers.

With a set of courses that cater to the needs and aspirations of the students, Narayana has already become a benchmark of academic excellence. The education system with almost four decades of experience makes millions of student realize their dreams.

Armed with a vast research based study material prepared by subject experts, exemplary Teaching methodology and a Micro Schedule that defines every hour of preparation, Narayana endeavors relentlessly to bring out the best in every student. Perfect academic planning makes it easy for the teachers to complete the syllabus well in advance and sufficient time is available for the student to prepare for the exam patterns. The progress of every student is closely monitored throughout the year and necessary changes are made to teaching and preparatory methods to suit his/her ability. With this huge support from the Team, no wonder Narayana students excel in competitive examinations at National level and secure admissions in prestigious institutions like IIT's, NITs, NEET, AIIMS, AFMC, BHU, JIPMER, etc.

THE PERFECT START FOR EVERY KID

AN EXCLUSIVE PROGRAM DESIGNED TO CRACK COMPETITIVE EXAMS

Specially designed integrated curriculum
to give additional edge

(School is proposed to be
affiliated to the CBSE Board)

ART & CRAFT

We understand that a creative outlet is imperative for maintaining a student's mental and physical well-being. It helps relax students' mind, while also improving their self-confidence. We encourage our students to express their creativity by participating in various intra and inter-school acting, music, singing and dancing as well as through essay-writing and elocution competitions.

COUNSELLING

We have counsellors who perform a detailed analysis of students' problems at regular intervals. They then come up with remedial solutions to improve the students' academic performance.

MEDITATION AND YOGA

To improve the performance of our students appearing for Various competitive exams, we have made yoga a regular part of our curriculum. During yoga sessions, students perform deep breathing, visualisation, progressive muscle relaxation and meditation under expert Guidance to release stress and improve concentration.

SPORTS

Sports energise student's mind and body in best possible ways. Additionally they help build discipline, confidence and also improve motor skills.

At Narayana, our structured and specialised programs reach over 1 lakh students across the country every year. We achieve this by adhering to an age specific PE curriculum across branches, where we work on the following:

- **Kindergarten:** Emphasis on gross motor skills, fine motor skills, object manipulation and balancing.
- **Grades 1 to 5:** Focus on fitness, gross motor skills, and basics of sports such as basketball, volleyball, throwball, kabaddi, badminton, football, frisbee, kho kho and athletics.
- **Grades 6 to 10:** Advanced skills in the above-mentioned sports; focus on conditioning, competitions and talent identification.
- **Grades 6 to 10:** Advanced skills in the above-mentioned sports; focus on conditioning, competitions and talent identification.

We also offer specialised in-school and after-school programs in the following:

1) Skating 2) Taekwondo 3) Football 4) Yoga

N

COMPUTER LAB

Exclusive computer labs powered with high speed internet connectivity are set-up at every branch. Here, students can create multimedia presentations on multiple subjects that aid their learning process. Students are required to undertake practice sessions to learn the nuances of Information Technology that prepares them for the challenges of an increasingly tech-savvy world.

We also encourage students to browse various websites that talk about the latest innovations and developments in science and technology.

LINGUISTIC LAB

A unique place where students learn language skills in a simpler and smarter manner through:

- Language development
- Social skill enhancement
- Listening skills
- Presentation skills
- Vocabulary enrichment
- Pronunciation and phonetics

SCIENCE LABS

All our laboratories are equipped with supporting demonstration tools that adhere to the highest standards of safety, security and hygiene. Lab activities are integrated with the day-to-day teaching schedule. This helps students apply concepts that they study in the classroom.

PROJECTS

Projects play a vital role as they inculcate scientific temper, competitive spirit and a zeal to learn and excel among the students. They also help develop team spirit and presentation skills.

LIBRARY

Our libraries are well equipped with a wide range of books and journals on various subjects and are regularly updated with the latest editions. These books enable students to develop an all-round perspective and a holistic approach to understanding every subject.

ENSURING SAFE AND HASSLE-FREE TRANSPORT FOR STUDENTS

TRANSPORT SYSTEM

All Narayana students are provided 'pick-up and drop' bus facility. The buses are driven by well-trained drivers, and the students are accompanied by trained lady escorts to ensure complete safety. All our buses have GPRS installed, to enable live tracking via SMS.

The bus service covers major areas of the city. The school has set pick-up and drop points for all students who use this facility.

All students and parents are requested to strictly abide by the rules & regulations laid down by the school for smooth and Efficient functioning of this service.
