

Why Learn at DSB ?

DSB is a small, friendly school where we aim to maximise every student's potential. Class sizes are small, averaging under 15 students. This allows for personalised learning. We are the only school in Mumbai to offer the National Curriculum of England. We are proud of our German heritage and maintain strong links with German organisations and schools.

The language of instruction at DSB is primarily English but, uniquely at our school, all students study German as a second language from kindergarten upwards, and aim to become competent users of the language. Our graduates have the linguistic ability to apply to study at German universities.

Our diverse student population comes from some 25 countries across every inhabited continent on the planet. The perspectives of our staff members from around the world are at the heart of our identity as an international school. We strive to make our students the change-makers of the future.

At DSB, we offer both the National Curriculum of England and the German curriculum of Thuringia for students up to Grade 8 - between the ages of 3 to 14. We also offer the Cambridge IGCSE programme in Grades 9 and 10, as well as the IB Diploma Programme in Grades 11 and 12.

Vision

DSB is a global community that prepares our students for success as the change-makers for the future.

Mission

Our school provides an internationally minded learning environment focused on developing academic knowledge, skills and personal attributes in each student. A positive growth mindset is nurtured in the students in order to make sure that all are knowledgeable, skilled, resilient and self-aware, with the courage to take on all challenges.

IB subjects (Grades 11 and 12)

We offer a choice of 15 subjects across six groups: Studies in Language and Literature, Language Acquisition, Individuals and Societies, Experimental Sciences, Mathematics, and The Arts.

IGCSE subjects (Grade 9 and 10)

We offer a choice of 18 subjects across five groups: Languages, Humanities and Social Sciences, Sciences, Mathematics, and Creative and Professional.

IB results

While we are not a selective school, our school average (32.2) has remained comfortably above the world average (30.2) over the 2017 to 2020 period.

IGCSE results

An impressive 80% of our students received at least five A* - C results over the 2017 to 2020 period.

International experience

Our students come from around 25 countries around the world, contributing to a uniquely multicultural environment. Our teachers also come from a wide range of different countries including the Czech Republic, Egypt, France, Germany, Russia, South Africa, the United Kingdom, the United States of America, and of course all over India.

Example of regular residential trips and experiential learning

Language trips:

- German and French exchange programme
- Kulturfestival - biennial program with German schools in Southeast Asia

Outdoor education and adventure:

- Scuba diving (Andamans and Sri Lanka)
- Rafting and canyoning (Nepal)
- International Award for Young People (IAYP Award) - trekking, abseiling
- Magic Bus young adventurers
- Caving in Meghalaya
- Nature conservations and safaris in Madhya Pradesh and Rajasthan.

Culture:

- Model United Nations Conferences (New York, Rome, Madrid, and Geneva)
- Sightseeing in Jaipur and Gujarat

Cross-curricular weeks:

These happen twice a term. The timetable is collapsed and students work on a critical thinking project in teams across age groups. For example:

- Designing a sustainable city, including constructing a 3D building to scale and research into sustainable urban planning
- Designing a city tour, including costing, transport, maps, and marketing

Social Entrepreneurship

Our many social projects change every year and are initiated by students, but the ones we have run for over a few years include:

- Beach clean-ups with Beach Please organisation
- Fundraising and school visits to the Pali Adivasi Ashram School in rural Maharashtra
- Volunteering with Welfare for Stray Dogs
- Global Social Leaders Future Foundation

Event organising

Our IB students take the lead on coordinating various school events such as:

- TEDx event
- Annual Christmas market
- German Days (in collaboration with the German Consulate and the Indo-German Chamber of Commerce)

Sports

- DSB is a member of the Mumbai International School Sports League (MISSL), where we compete in football, swimming, and girls' netball
- Many sports are also offered as extracurricular activities, including football, kickboxing, taekwondo, and table tennis

Extracurricular Activities

A wide range of different activities are offered during each of our three terms for children from kindergarten through Grade 12, covering languages, sports, culture, the arts, music, and games. These include the F1 in Schools international STEM (science, technology, engineering, mathematics) competition.
