

# Trust

**Dr. Yashavantrao Dode World School (DYDWS)** is an initiative of **Mulund Shikshan Prasarak Mandal (MSPM)**. MSPM was established in 1972 and has already acquired an unmatched reputation for establishing a school which imparts affordable, sustainable and quality education to the community, in and around Mulund. A philanthropic couple late **Mrs. Nalini Dode** and late **Shri Yashavantrao Dode** founders of MSPM, realised their dream by setting up Marathi medium school sighting a need of the society in Mulund. Their progressive kith and kin following their foot steps extended a branch of ICSE school in Mulund east. DYDWS is the first ICSE affiliated school in Mulund east. They both have been felicitated by Government of India for their contribution in the field of education (National Teachers Welfare Association Award and National Teacher Award respectively). Guidance of veteran educationist is the backbone of MSPM. The child-centered educational policies and utmost transparency is the ideology of MSPM.

## Motto

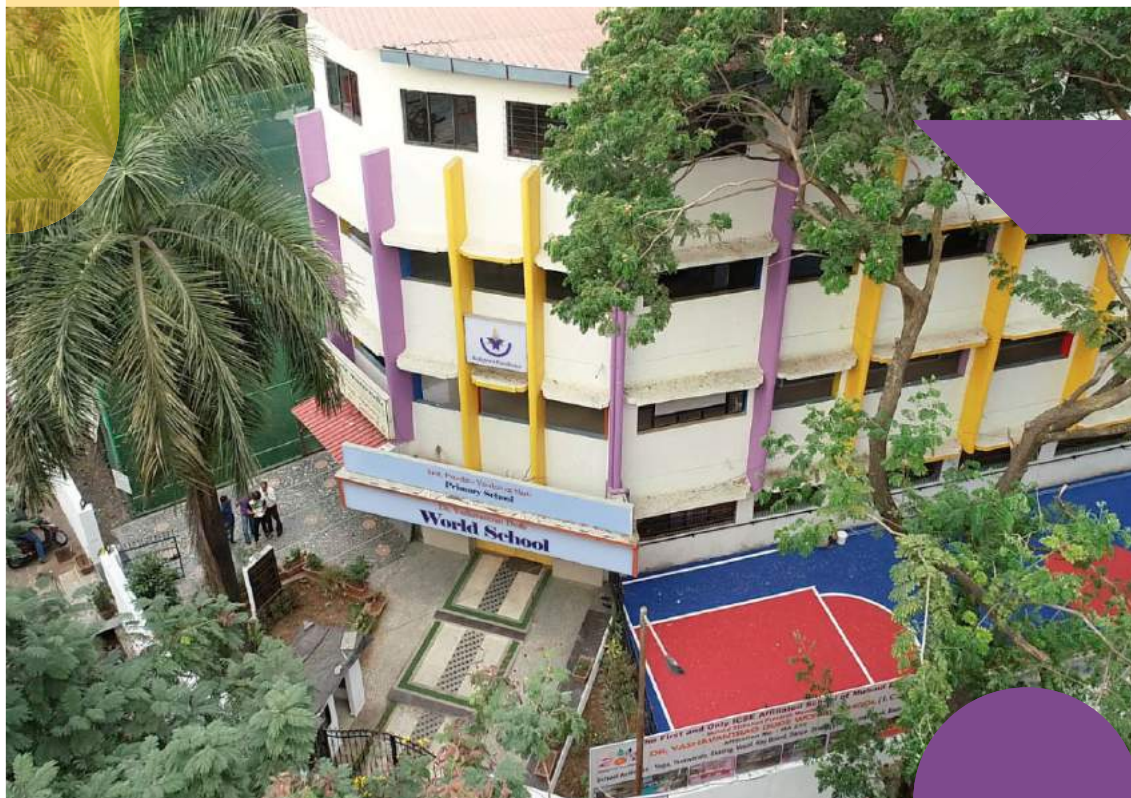

Our motto '**Enlighten Excellence**' is keeping in mind with the requirements of today's child living in the new millennium. We believe not only in all round development of the child but we also believe in instructing, informing, shedding light on, giving light to, freeing them from prejudice of superstition. And hence by doing this we would like them to reach at the peak of excellence. By excellence, we mean being the best and surpassing the merit. We believe in the uniqueness of each child and focus on child - centric education more than syllabus - oriented education.

## Affiliation

DYDWS is affiliated to the council of Indian Certificate of Secondary Education (ICSE) MA 232/2018

## Mission

In line with the principle and ideas of **Mulund Shikshan Prasarak Mandal, DYDWS** seeks to create affordable, sustainable and quality education for the community.

## Vision

- ✱ To develop the student in all fields so as to help them emerge as a full- fledged responsible citizens.
- ✱ To inculcate the basic values of love, respect and discipline in them.
- ✱ To nurture them into becoming successful citizens and be able to face today's world without difficulty.
- ✱ To bring about a sense of religious tolerance in order to bring harmony.
- ✱ To make them learn to adjust and adapt to any unforeseen situation which they are faced with.

## Values

### Student first

We believe that student is our first priority and is at the core of our efforts. Everything we do must meet or exceed the expectation of our students.

### Excellence

We relentlessly pursue excellence to ensure the highest quality of educational outcomes.

### Accountability

We are accountable to parents and students to deliver results with an ownership mind set of individual and in teams to provide best education. We hold ourselves to the highest ethical standards.

### Respect

We have a deep regard for human dignity and will treat each individual (parent & student) with respect and humility. We will act with compassion and empathy at all times.

### Teamwork

We will work as one team to deliver best education by combining the strength of each individual. We accomplish more together. We trust each other to achieve our goals.

### Integrity

We are committed to build trust through ethical practices. We strive to be honest and forthright.

### Transparency

We are committed to maintain transparency through our policy and our values with all the stake holders of the education system in whole.

## Why DYDWS

- \* It saves travel time of the student.
- \* It saves energy.

## Uniqueness

- \* Specially designed curriculum around each individual student.
- \* Transparent evaluation system
- \* Well-armoured faculty with frontiers of knowledge
- \* Learning beyond classrooms
- \* Knowledge hub
- \* Regular up-gradation of knowledge through all possible sources - seminars, conferences, workshops, events, fairs etc.
- \* For teachers as well as student's Parent/Guardian's participation at every step

## Chairperson's Communiqué

Welcome to the endeavour of education that believes in cognitive and intellectual development of the child. The primary years of life are actually the backbone formation in the development of a person. Besides the home, the first school is crucial in shaping the identity of an individual. At DYDWS, we strongly believe that each and every child is divine and special. In other words, each child is a gem but only at appropriate place it can shine. We serve to make each one a gem - a polished diamond and we have no discriminations. With our strong views of liberty, equality and harmony, our endeavour is to strive for intellectual, social and spiritual wisdom and knowledge. In this global era, India being a country with enormous knowledge since ancient ages, we strive to give our students the extra experience of a deep rooted philosophy and cultural heritage as well. The environs of our institute is itself a testimony that knowledge and values bloom and express so beautifully here. It's not just a school, it's an experience of lifetime and the wholesome learning will become the identity of students. We just do not impart knowledge but let the students grow into happy individuals. As a chairperson of DYDWS, it's my ultra pleasure to be able to serve into polishing the gems of our future!

**Mrs. Shweta Dode**  
(B.Sc., B.A., B.Ed., D.H.M., D.S.M., C.M.)

## Academic Director's Communiqué

It's my privilege and honor to be a part of DYDWS. With a sprawling campus, multi-disciplinary well-knit curriculum, knowledgeable teachers who are of very good iq and eq, DYDWS is an ideal place for basic education. Today, education is no longer merely a transformation of knowledge and information. It is the training of individual's intellect to delve deep into exploring the possibilities that can be accessed for the betterment of the society. The aura of our campus is overflowing with positivity and encouragement for real learning. At DYDWS, we ignite imagination, inspire hope, culturally condition minds and simultaneously encourage egalitarian learning. The team here indulges in painting the unblemished souls with colors of harmony, confidence, generate insight, humanity and skills to deal with challenges and nurture creativity. Transformation tended here polishes every individual's ability to change the world!

**Dr. Piyush Dhara Saran**  
(M.Sc., Ph.d.)
