MIT PUNE'S  
**VISHWASHANTI  
GURUKUL**  
AN IB WORLD SCHOOL

**Cambridge Assessment  
International Education**  
Cambridge International School

## VISION

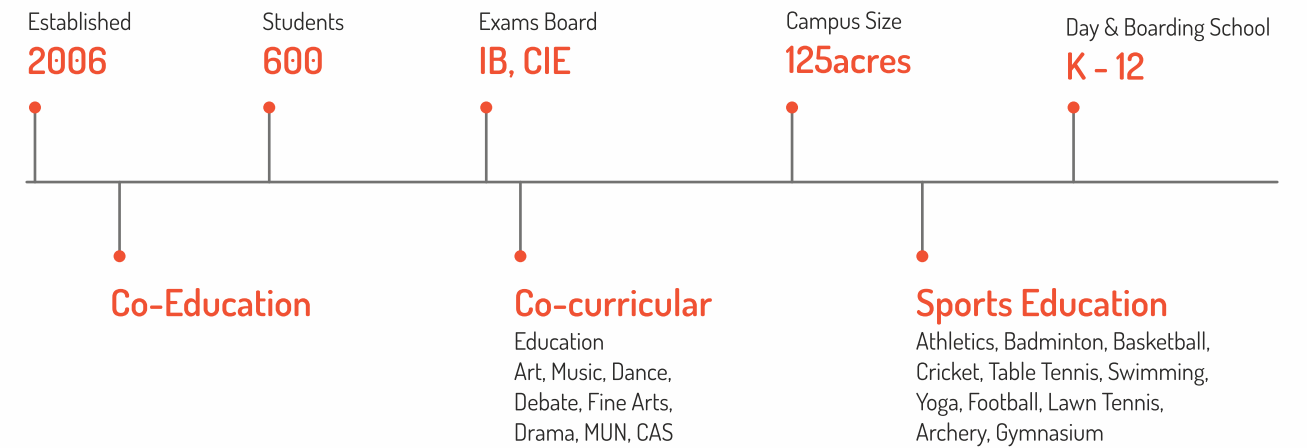

“To make Vishwashanti Gurukul – An IB World School, a learning community of motivated students with the staff engaged in realizing the children’s complete potential and imparting world-class education to each student which fosters academic excellence, physical fitness, psychological and spiritual health and social consciousness.

The emphasis of MIT Pune’s Vishwashanti Gurukul – An IB World School will be to make the students proud of their deep-rooted ethos, the ancient Indian culture and train them in the most modern methodology prescribed by the International Baccalaureate.

## MISSION

Vishwashanti Gurukul’s mission is to provide a resource based education with global opportunities for academic growth and development, and assure that all students are provided the necessary life skills and competencies to function productively in an ever changing society while retaining Indian values and philosophy.

## UNIVERSITY PLACEMENT

At MIT Pune's Vishwashanti Gurukul – An IB World School, we recognize the importance of good communication and good working relationships between students, parents, and the school. Our university placement office advises and assists students and parents through the university application process right from exploration of colleges, short-listing potential higher education destinations, dissemination of information on admission requirements for various collegiate programs and submission of applications. We want to nurture not just international leaders but young global change-makers.

To acquaint students with the information about the world-wide options of undergraduate colleges and universities and their admission process, we host University Admissions Representatives from around the world. Numerous on-campus University Fairs and information sessions are facilitated for students to help them choose the best possible colleges.

Following are few universities here our students have been accepted,
