

PRATIBHA INTERNATIONAL SCHOOL & JR. COLLEGE

PROSPECTUS 2019 - 2020

■ OUR MISSION

- To build and successfully manage state-of-the-art training and education facilities where young minds can be moulded to meet the challenges of future India.
- To ensure all round development of student keeping in mind good moral education, personality development, professional skills and the latest in education methods.
- To offer a well-designed platter of globally acceptable education courses as well as school, college education within the reach of willing and eager students.
- To provide the student an atmosphere conducive to their growth as good citizens, upcoming professional and budding entrepreneurs.

■ OUR VISION

- An educational institute has not only a scholarly role but also a developmental role to play. We aim to empower the young mass by providing quality technical education, thereby creating new frontier of knowledge and to mould the younger generation of our country into responsible citizens.

ABOUT US

- Formal education and a powerful personality are crucial for an individual to succeed in today's world. We, at Pratibha International School & Junior College, work with the guiding principle of nurturing young minds with a balance combination of bookish knowledge and practical training. We are certified as a Cambridge English School, and our course material involves books from Cambridge University Press, letting our students learn and compete at an international academic level. Our carefully curated library includes more than 5000 books and a well-equipped reading room. We offer special education facilities for students with special needs.
- We place great importance on the all-round development of children. Therefore, outdoor activities like skating, karate, rifle shooting, archery, swimming & gymnastics are integral part of the school life of our students. Our students are also encouraged and given ample opportunities to participate in cultural events, hobby classes, cleanliness drives, educational tours, social service camps, nutritional programs, tree plantation week, health check-up camps, counselling sessions, and women empowerment programs.
- We conduct regular parent meets to ensure healthy and open communication between parents and teachers in the best interest of our students. Parents are given daily email updates about the school activities and are provided monthly assessment sheets to help them remain informed about their child's school performance. Our teaching staff is constantly engaged in refresher workshops, conferences, and awareness & training programs for continued skill development.

CEO's DESK

Honourable Shri Abdul Kalam, Ex-President of India had made a visionary statement that India will become a Super Power in 2020. The statistics says that 60% population of India will be in the age group of 20-40 years by the year 2020. Our dream is to groom this young India into respectable and honourable citizens.

Academic and overall development of body and mind of the student alone will help them to sustain themselves in the most developed era of the world. Technological development along with tremendous competition in the future of the world, and to compete and sustain in it, will be a challenge for the young generation.

We will provide amenities in quality education and infrastructure. The students will be groomed for quality education enhanced through latest technology, supported by moral and ethical values and moulded by sports and cultural activities to ensure their overall development. This will turn them into not only proud citizens of our country but also competent global professionals and leaders.

MR. DEEPAK SHAH

To strengthen the Mind, Soul, Head, Heart and Hands

*Education is the most powerful weapon,
which you can use to change the world.*

PRINCIPAL'S DESK

MS. SAVITA H TRAVIS

Education is not merely acquirement of the facts but also of values, which is an essential element in making this world a better place to live in. A pivotal role of education lies in nurturing and developing the child in order to meet challenges of life to lead a happy and balanced life.

At Pratibha International School & Junior College, we ensure academic excellence along with integrity and values, participation in a variety of co-curricular activities. We believe in involving the child in learning to avoid rote learning but experience learning that lasts for their lifetime.

We aim to produce responsible citizens of India who will go out into the world and make us proud.

Education is a companion which no future can depress, no crime can destroy, no enemy can alienate it and no nepotism can enslave.
