BHARATIYA VIDYA BHAVAN, PUNE KENDRA PARANJAPE NURSERY SCHOOL

PROSPECTUS

Bharatiya Vidya Bhavan - The Institute

Bharatiya Vidya Bhavan founded in Mumbai in 1938 by Dr. K. M. Munshi, a multifaceted personality, is a comprehensive national organisation with an international outlook touching almost all segments of life. It is primarily and essentially an educational and cultural organisation which has grown from small beginnings into an all-India intellectual, cultural and educational movement. Bhavan's aim is to revitalise India's ancient values and reintegrate them to suit the changing needs of modern times. Hence, Pandit Jawaharlal Nehru once referred to it as "a very fine institution, which deserves every encouragement and support." True to its goal, the Bhavan is ceaselessly striving to carry forward India's timeless message of Faith, Self-discipline and Dedication.

Bhavan is an Institute

That concentrates on the overall development of kids.

That weaves modern knowledge around ancient wisdom.

That truly re(de)finest the term "academics."

Bhavan's School - Senapati Bapat Marg

Bharatiya Vidya Bhavan started its English medium Nursery School in 1988 on a piece of land, off Senapati Bapat Road, given by the Govt. of Maharashtra for educational and cultural activities. The Nursery School is named "Chhabria Nursery School." It has three divisions of Nursery, Junior KG & Senior KG each. The children are automatically promoted to our Primary section i.e. Bhavan's Sulochana Natu Vidya Mandir. The Secondary section has classes up to Std. X and the results of Std. X so far have been excellent.

The Vision

With the view to meet the growing need to have an educational institute in an area which has found a place in the Guinness book of records for its fastest growth rate of population, the Bharatiya Vidya Bhavan opened a branch in Kothrud (near Kothrud Telephone Exchange) in the year 2002-03. The Bhavan aims to provide a spacious school building with a playfield being developed by the eminent construction company "Paranjape Schemes."

The school functions in two shifts i.e. morning shift and afternoon shift. Currently the Bhavan's Paranjape Nursery School has Six divisions of Nursery, Junior KG & Senior KG classes. Paranjape Nursery School gives a strong foundation to the formal primary education. It is equipped with dedicated and qualified teachers who care for the little ones. The teachers are post graduate diploma holders of the Pre-primary Teachers Training College. The children of Paranjape Nursery School are automatically promoted to the primary section i.e. Paranjape Vidya Mandir. The school has classes from Nursery up to Std. X. Paranjape Vidya Mandir is affiliated to the Maharashtra State Board of Secondary Education.

The school believes that education must not only train the child to be a productive unit in today's materialistic world but also equip the child to assimilate whatever is good in the new, without being swept off from the values of life. The school strongly stresses on Indian culture and provides the best of teaching aids and equipment. Computer Education is introduced right from the Senior KG level as a visual teaching aid with a number of programmes designed especially for the kids at that level.

Objectives of Bhavan's Paranjape Nursery School

- To provide quality education through English medium focusing specially on Indian culture and discipline.
- To provide a rich, stimulating and satisfying environment to the children for the promotion of an all round development.
- To train the child to be usefully productive in this materialistic world, without being swept off from the traditional tree of culture; thus bringing a harmonious blend of the old and the new.
- To encourage the process of learning in children through first hand experience.

- To provide an opportunity for children to observe, compare, explore and interact.
- To provide activities for children which bring about readiness skills, cognitive development, creativity and leadership qualities.

● To inculcate our culture in the minds of our youngsters by celebrating various Indian festivals.

- To provide computer education right from the Senior KG level.

Admissions

- Children are admitted to the Nursery class at the age of 3 years as on 31st December. Admissions are strictly at the discretion of the management.
- Parents should submit the duly completed admission form along with an attested photocopy of child's birth certificate, on the stipulated date.
- The Fees are to be paid in two installments, first term and second term, as per schedule prescribed.

Rules and Regulations

1. Once the child is admitted in the school, punctuality and discipline with regular attendance and good study habits, cleanliness and neatness is expected from the child.
2. All belongings of the child like bags, water bottles, sweaters, tiffin box etc. must be marked with the child's name. The school will not be responsible for any lost property.
3. Every student must wear the prescribed school uniform.
4. No leave of absence will be granted except on a prior written application from the parents / guardians.
5. Parents are expected to shoulder the responsibility of inculcating regular work habits and discipline in their children.
6. The school has regular Parent Teacher Meetings which parents are expected to attend.
7. Complaints or suggestions regarding the school matters should be handed over to the Principal and not to the teachers.
8. Parents are allowed to meet the teachers only after school hours, on Friday only, at prescribed timings and not during the school hours.
