

## Our Core Values

St. Xavier's welcome children's from all faiths and supports them. We believe that true faith is measured in the quality of our everyday lives, in our relationship with others, in our willingness to serve and in the power of what we practice rather than preach. Our values celebrate the diversity of beliefs which are represented in the school.

We believe in educating the whole person, so that every student leaves the school well-equipped to achieve individual goals and with a sense of commitment, social responsibility and enthusiasm.

Our students are encouraged to think creatively and

### OUR AIM

Our aim is to lay the foundation of a life-long experience, which will give the individual confidence and respect that will overcome all distinctions of colour and creed.

We also wish to develop in our students a consciousness of the needs of society and the desire to contribute through selfless service, putting the totality of their talents and acquired knowledge to the service of humanity.
