

OFFERING 21ST CENTURY CONDUCTIVE LEARNING ENVIRONMENT

The schooling experience at Kaushalya World School offers experiential collaboration to the learners. They are impacted to realize their everyday transformed identity from being a learner-to being a global learner, from being an individual -to being the member of a team, and from being a citizen to being a global contributor! The school has been accredited with British Council International School Award twice along with many other accomplishments to its credit !

OUR VISION

Our Vision At KWS "excellence is a culture". We wish that every child leaves his Alma Mater with a sense of satisfaction, has a positive attitude towards life, becomes socially responsible and is ready to face the outside world with confidence."
