ST. XAVIER'S HIGH SCHOOL, GN

About School:

Excellent infrastructure, innovative pedagogy with focus on experiential learning and integration of Arts with all subjects. The approach is student centric where attention is paid to the progress of each child

St. Xavier's High School is one of the best schools in Noida Extension. Spread over an area of a few acres, the school aims to provide world class facilities to all its students. Its State-of-the Art building, lush green grounds and well equipped labs are made using latest innovative technology. The beautiful Ruby Auditorium can host more than 200+ audience and will bear witness to numerous events in future. Each classroom and buses are camera equipped as the security of our students is of utmost importance for us. The Football Ground, the Cricket Ground along with Basketball courts, the Tennis Courts, the Skating Rink that have been specially created using five layers of Asphalt and covered with synthetic coating to ensure the safety of the students. The bright colours beckon the players to try out their sporting skills and physical acumen.

St. Xavier's High School is a school with a difference. Here we not only teach but create the citizens of the future who with their holistic personalities will become assets of our country.

St. Xavier's High School is one of the best schools in Greater Noida Extn. with excellent infrastructure with comprehensive Sports facilities. Our innovative pedagogy with focus on experiential learning and integration of Arts with all subjects. We hold regular Personality Development and Logical Reasoning Sessions for our students.

The Library is open for students every Saturday so that they have access to the reading material.

We hold a one hour Evening class for all Grades where teachers are available for doubt clarification for the students. This hour is also used for gamifying the learning at times and to help students establish a social connect with each other.

Our approach is student centric where attention is paid to the holistic development and over-all progress of every Xaverian.
