The Mission of the school is to provide an environment that lays emphasis on intellectual and emotional growth in which every student discovers and realizes his/her full potential and highest academic standards are achieved; Where emphasis is laid on integrity, ethics, moral courage, hard work, responsibility and self-discipline; Where activities focus on developing visionary, articulate and confident individuals with sensitivity and concern for the less fortunate, the environment, diversity and communal harmony, human rights and democratic values; Where students, teachers, parents and the administration work together as a nurturing community.

## USPs

Fortune World School takes pride in creating a supportive and dynamic learning environment where all the learners are greatly valued, appreciated and motivated throughout their school journey.

The school infrastructure is equipped with all the modern amenities and ensure maximum growth for every student. The high-tech WIFI enabled campus ensures highly interactive and activity-based learning. The well maintained and well-equipped laboratories provide a platform where classroom teaching is combined with hands-on experiences. The human brain works best when the mind gets the much-needed comfort therefore, a comfortable environment is maintained where all the classrooms are equipped with a centralized air conditioner and the school has a 24/7 power backup. Properly maintained and hygienic washrooms along with the implementation of all the COVID-19 precautions protocols promote the importance of health and hygiene.

The school provides unique and enrich learning opportunities to all its learners and safeguards their interests.

We aim to provide maximum attention to the students by maintaining an optimal student-teacher ratio of 15:1. Personality development and career counselling sessions provide the students with all the additional support that is required. A wide range of activities and competitions are conducted throughout the academic year which enables students to explore their non-academic qualities. Practices like 'Word of the Day', 'Minds in Bloom' and 'Language Monarch' helps students develop an excellent vocabulary. Events and activities like 'Parent Student Interaction Sessions', 'Bonding Sessions' and 'Good Deed Bank' ensure an excellent social-emotional development in the learners.

The school believes in maintaining a healthy parent-teacher relationship and takes numerous efforts towards involving the parents in their child's education. Regular PTMs are conducted wherein child-specific and subject-specific feedbacks and remarks are shared. Monthly work plans and newsletters shared at the beginning of each month keeps the parents aware of all the happening in the classroom thereby, improving the chances of learning success tremendously.

The school offers all its students an opportunity to excel in an area that does not directly involve academics. The children are given the freedom to indulge in extracurricular and sports activities of their choice.

The curriculum at Fortune World School addresses the physical, mental, spiritual, cultural and intellectual health of the child and has a student-centred mindset with a belief in holistic development.

# CBSE CURRICULUM

Fortune World School follows the CBSE curriculum which says, a sum total of the planned set of educational experiences should be provided to a learner by a school. It encompasses general objective of learning, courses of study, subject wise instructional objectives and content, pedagogical practices and assessment guidelines.

The Salient Features of the CBSE Secondary School Curriculum followed by Fortune World School are:

1. Provide ample scope for physical, intellectual and social development of students;
2. Enlist general and specific teaching and assessment objectives;
3. Uphold Constitutional values such as Socialism, Secularism, Democracy, Republican Character, Justice, Liberty, Equality, Fraternity, Dignity of Individual and the Unity and integrity of the Nation by encouraging values-based learning activities;
4. Nurture Life-Skills by prescribing curricular and co-curricular activities to help improve self-esteem, empathy towards others and different cultures etc;
5. Integrate innovations in pedagogy, knowledge and application, such as human sciences with technological innovations to keep pace with the global trends in various disciplines;
6. Promote inclusive education by providing equal opportunities to all students;
7. Integrate environmental education in various disciplines from classes I – XII;
8. Equally emphasize Co-scholastic areas of Art Education and Health and Physical Education.

We follow these curriculum as we aim to achieve cognitive, affective and psychomotor excellence; enhance self-awareness and explore innate potential; attain mastery over laid down competencies; imbibe 21st century learning, literacy and life skills; promote goal setting, and lifelong learning.

We implement the curriculum as:

## 1. THE SCHOOL CURRICULUM COMMITTEE

The Board mandates that all schools must setup a School Curriculum Committee with teachers representing each areas.

## 2. PEDAGOGICAL LEARNING

There is a Lead, Guide and Support given to the teaching and learning processes in the school by focusing on classroom specific requirements for transacting the curriculum, so that both teachers and students perform at their optimal best.

## 3. COMPETENCY BASED LEARNING

Competency based Learning focuses on the student's demonstration of desired learning outcomes as central to the learning process. Learning outcomes are statements of what is expected that the student will be able to do as a result of learning the activity.

## 4. CLASSROOM AND SCHOOL ENVIRONMENT

School environment should be conducive for holistic development of the students. The school should focus on health and hygiene by adopting inclusive practices. The schools may follow the guidelines issued by the Board on making the school a No- Anger Zone or Anger Free Zone.

## 5. ART INTEGRATED LEARNING

"Art as a subject at all stages covering all four major spheres, i.e. music, dance, visual arts and theatre. We must bring the arts squarely into the domain of the curricular, infusing them in all areas of learning while giving them an identity of their own at relevant stages."

# DIGITAL LEARNING

A classroom is a place where we create incredible things and possibilities. The past year witnessed an advent of a new form of learning which came to be known as "Digital Learning".

We, at Fortune World School, since the very inception of this form of learning made attempts to add more value to it and took this opportunity to lay the groundwork of outstanding standards for quality education. Digital learning at Fortune World school is more than just the use of laptops and online tools. It revolves around a wide spectrum of practices that make it possible for the learners to dwell in the world of imagination, creativity and lifelike experiences.

Digital learning at our schools opens the door for a vast array of learning opportunities wherein we implement the use of blended learning. The student-teacher ratio and the curriculum are designed in a manner that each student gets individualized attention and allows the learners the flexibility to move at their own pace. We offer highly interactive and engaging curricula with consistent feedback from teachers about the learner's performance. Digital education at FWS aims at bridging the gap between bookish and practical knowledge.

# SPORTS

Sports have always been seen as a means to a healthier lifestyle but for us, at Fortune World School the importance of sports activities goes far beyond. We believe in using sports activities as the means to inculcate in our learners much needed lessons of life revolving around teamwork, accountability, confidence and self-discipline. Sports is no more an "extracurricular" activity.

With abundant opportunities in the sporting world, we are offering a sports-focused curriculum wherein all the sports activities are an integral as well as an important part of the school curriculum. We provide a wide range of facilities to our students allowing them to excel in a sport of their own choice. The school offers various indoor sporting activities including pistol shooting, rifle shooting, taekwondo, skating, aerobics and chess. We also provide quality and standard training in outdoor sports activities like football, hockey, basketball, cricket, lawn tennis, badminton, volleyball and horse riding.
