## CHAIRMAN'S MESSAGE

Kothari International School is committed to inculcate strong ethical values of integrity, respect and discipline as well as clarity in thought and decision-making ability, as a life-long process in our students. To accomplish the same, our School follows a rigorous developmental programme which is based upon the best educational practices, highly progressive and recognized worldwide. The developmental programme is exclusively designed for students to maximize their potential at an internationally competitive level, supported by our state of the-art infrastructure, coupled with highly qualified and well trained teachers.

Furthermore, it has always been one of my quests in life to make high quality education available and accessible through the latest educational technology without inequality. My effort has been to build an extraordinary and ever evolving education system that maximizes the individual capabilities to meet the challenges of higher education, work and life.

I am delighted that you are considering Kothari International School for your child's education.

I wish you and your child, the very best.

**Deepak Kothari, Chairman, Kothari International School**

## CHAIRPERSON'S GREETINGS....

Our School is the foundation for a new generation of leaders and innovators who will continue to pave the way for a better and brighter future for our world. The greatest strength of Kothari International School is the high quality programmes and transparency in its system.

Our well groomed school's community consists of talented teachers and supportive parents working together to make this School an ideal place for students to learn, grow and become torch bearers for a better tomorrow.

Over a decade, K.I.S. has lived up to its mission statement and has established itself as one of the top educational institutions for students in the National Capital Region.

We are always open to new ideas, inquiries and feedback from all the stakeholders.

We provide an environment that helps transform education to empower the students, the teachers and the parents to expect more, do more and achieve more.

We welcome you to be a part of our journey of achievements and excellence !

**Arti Kothari , Chairperson, Kothari International School**

## EDUCATION FOR LIFE....

Our youth needs to be responsible citizens with local and global perspectives with respect to our valuable diversity. We also need to understand how the world works economically, politically, technologically environmentally socially and culturally. The youth must show concern for social injustice, participate in and contribute to the community in which they live and act to make the world a more sustainable and peaceful place.

It has been our effort to fill the gap and create a curriculum that will turn our students into a holistic human beings who are emotionally stable, intellectually vibrant, spiritually enlightened and socially committed. We promote educational pedagogies which make every child say, “I have better ideas, I am talented, skilled and creative!” and develop educators who would say “I wish to work miracles with my students.” Our effort is to redefine the GOOD Schools.

**It is in this context, that K.I.S. has associated itself with National and International Boards & Organizations that support quality educational endeavors.**

**G.S.Madhav Rao, Advisor-Kothari International School, C.E.O., Synergy School Systems Pvt. Ltd.**

## INSPIRED DREAMS.....

Our endeavor has been to create an environment that will enlighten, encourage, and inspire the dreams of the students and the faculty who enter the portals of Kothari International School, aspiring to be future leaders in their interest areas with new ideas and innovations.

Our infrastructure provisions are such that it develops the ability to become the producers of knowledge instead of just being consumers of knowledge.

We tap into the potential of students and foster creativity by providing them the necessary tools to make most of their learning experiences productive and inculcate critical skills needed to be future entrepreneurs and employers.

Our system helps teachers to set realistic goals at all levels to give positive reinforcement at every step of a child.

We encourage constant interaction among the students, teachers, parents and the community to gain an understanding and develop rapport which creates quality learning environment.

We would be most honored to be partners in meeting your aspirations for your child.

**Avinash Gupta, Trustee, Kothari International School**

## A SCHOOL WITH A DIFFERENCE.....

The Management, the Educators, the Parents & the Students all together strive to make K.I.S. a School :

that is an agent of individual growth, determination to one's best and social transformation, that believes that each child learns differently, at different depths and speeds, that assesses not to judge, but to improve learning, that helps everyone to find personal relevance in learning activities, that helps develop an informed curiosity and a lasting passion for learning beyond books, that invests in Educators' motivation, development and enthuse positive work ethos, and that encourages parents to create a supportive atmosphere at home and become partners.

Resting on past laurels has never been our belief. “What Will Be,” is always given greater importance. One can find enough will power to excel in one & all at Kothari International School.

Looking forward for your patronage.

**Manju Gupta, Principal, Kothari International School**

## MISSION STATEMENT

At Kothari International School, it is our endeavor to empower our Students with knowledge and skills through engaged learning ; ensure pursuit of tertiary education of their choice and make them custodians of their own physical, social, emotional, and spiritual well being. Our students shall seek seamless transition into adult life; become useful member of the communities in which they live and promote tolerance, world peace and tranquility .

## THE SCHOOL

Our founder, Late Shri M.M Kothari, laid the foundation of the School on 16th October 2005. The School represents the culmination of the assiduous efforts of its founder, a visionary, who always cherished the dream of nurturing young minds in an inspiring and motivational atmosphere and producing charismatic, vibrant dynamic and decisive leaders of tomorrow. This education enterprise began its journey when the first academic session commenced on 1st April 2006. The School welcomed the students from Pre-primary till Grade 6 with a plan to expand further. The school has grown up to Grade 12 (CBSE), and adding Cambridge International Curriculum (IGSCE/AS/A Levels), ever since.

**Kothari International School, a CBSE (India) and Cambridge (UK), Day Boarding, fully Air-Conditioned, with State of the Art facilities, is currently Ranked No.1 in India** for its Total Quality. The small class size of 24 students with competent and experienced faculty gives the students individualized care and support, allows them to think independently and innovatively and helps them plan and participate in their own learning process to meet the challenges ahead.

In addition to a strong emphasis on attaining high standards of academic achievement, a kaleidoscope of Co and Extra-curricular activities - Sports, Music, Arts & Crafts and Exploratory excursions, Community programmes and School events encourage Enquiry, Innovative Problem Solving, Independent Expression and Decision Making abilities among the students.

Over the years, K.I.S. students have done us proud in all spheres including outstanding Class 10 and 12 CBSE and 'O & A level' Cambridge results and securing admissions to prestigious Indian and foreign Universities.

Kothari International School epitomizes the vision of making learning meaningful, collaborative and immensely enjoyable.

*"My son joined Kindergarten in July 2016. Having stayed in United States for last few years, I was bit skeptical while choosing the right school for my son. I am happy to share that I found all the right ingredients in Kothari International School. Yesterday's event and Interaction was picture perfect for the little ones. Kudos!"- Parent*

**Coming to K.I.S. is more of living an experience than just being at a School!**

# CORE VALUES

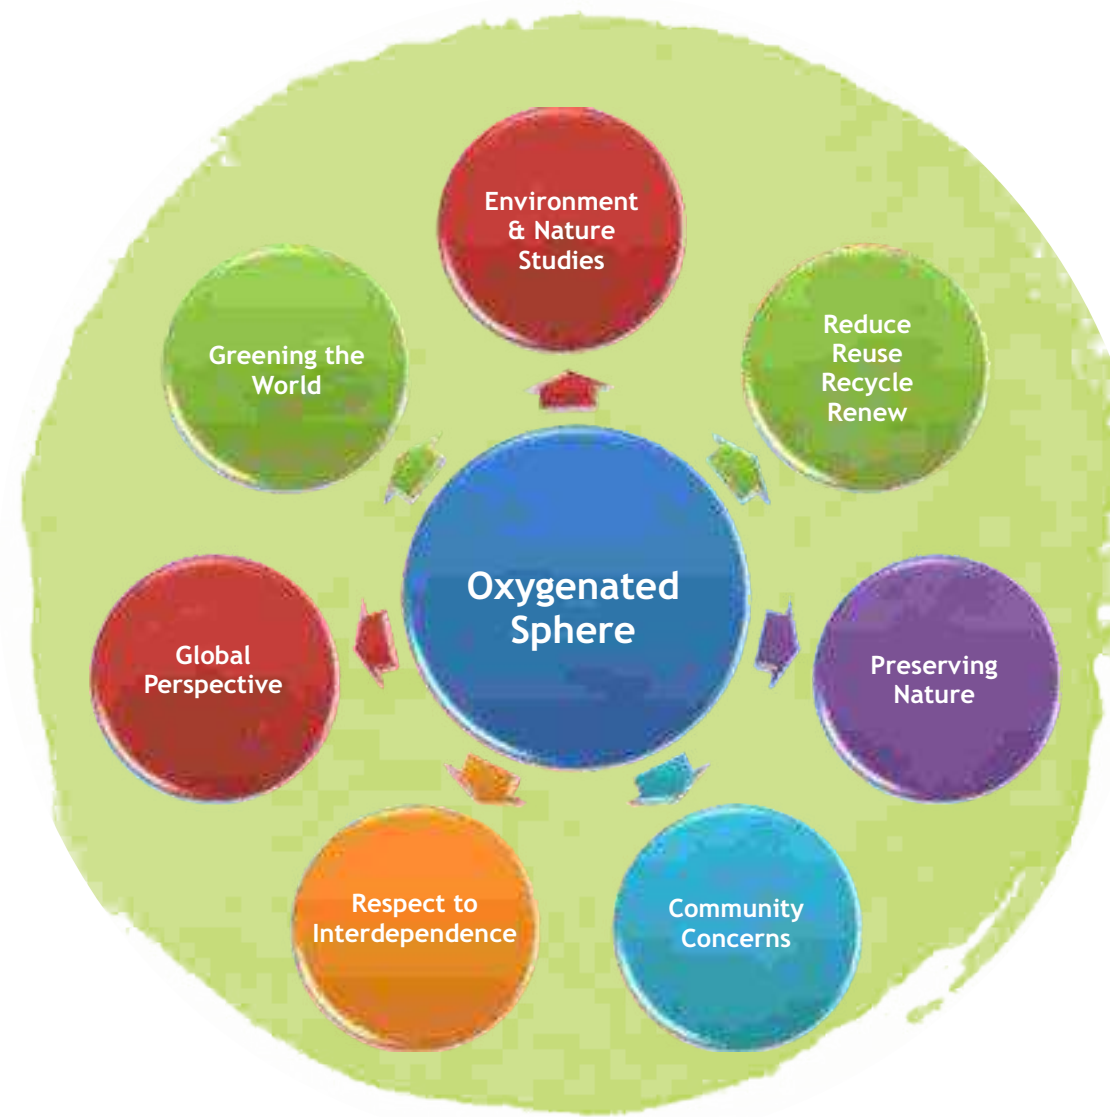

## PREFERRED FUTURE

By empowering our students with knowledge and skills through engaged learning, we ensure seamless transition to tertiary education of their choice and make them custodians of their own physical, emotional, social and spiritual well being.

## OXYGENATED SPHERE

Our student shall endeavor to maintain and improve the quality of life-without damaging the planet for future generation.

## EXCELLENCE ALL AROUND

In pursuit of a perfect score in all spheres of life, our students imbibe not only skills of professional growth but also humanitarian values.

## ZERO CONFLICT WORLD

We expect our students to appreciate the diversity and understand the value of unity. Our students shall understand their rights and responsibilities, empower themselves with knowledge, and learn to contribute towards a Zero Conflict World.

## KINDERGARTEN PROGRAMME

The Kindergarten programme provides a unique experience of learning. In two years of Kindergarten, children joyfully take their first learning step in literacy and numeracy skills. Guided by the newly designed Kindergarten curriculum that enables children to learn at their own pace, they begin to acquire the fundamental skills of Speaking, Listening, Reading, Writing, Mathematics and positive Values & Attitudes. Play continues to be a medium of learning and the knowledge of the environment comes with the child's language development. Teachers are trained to observe and record individual's development and growth closely

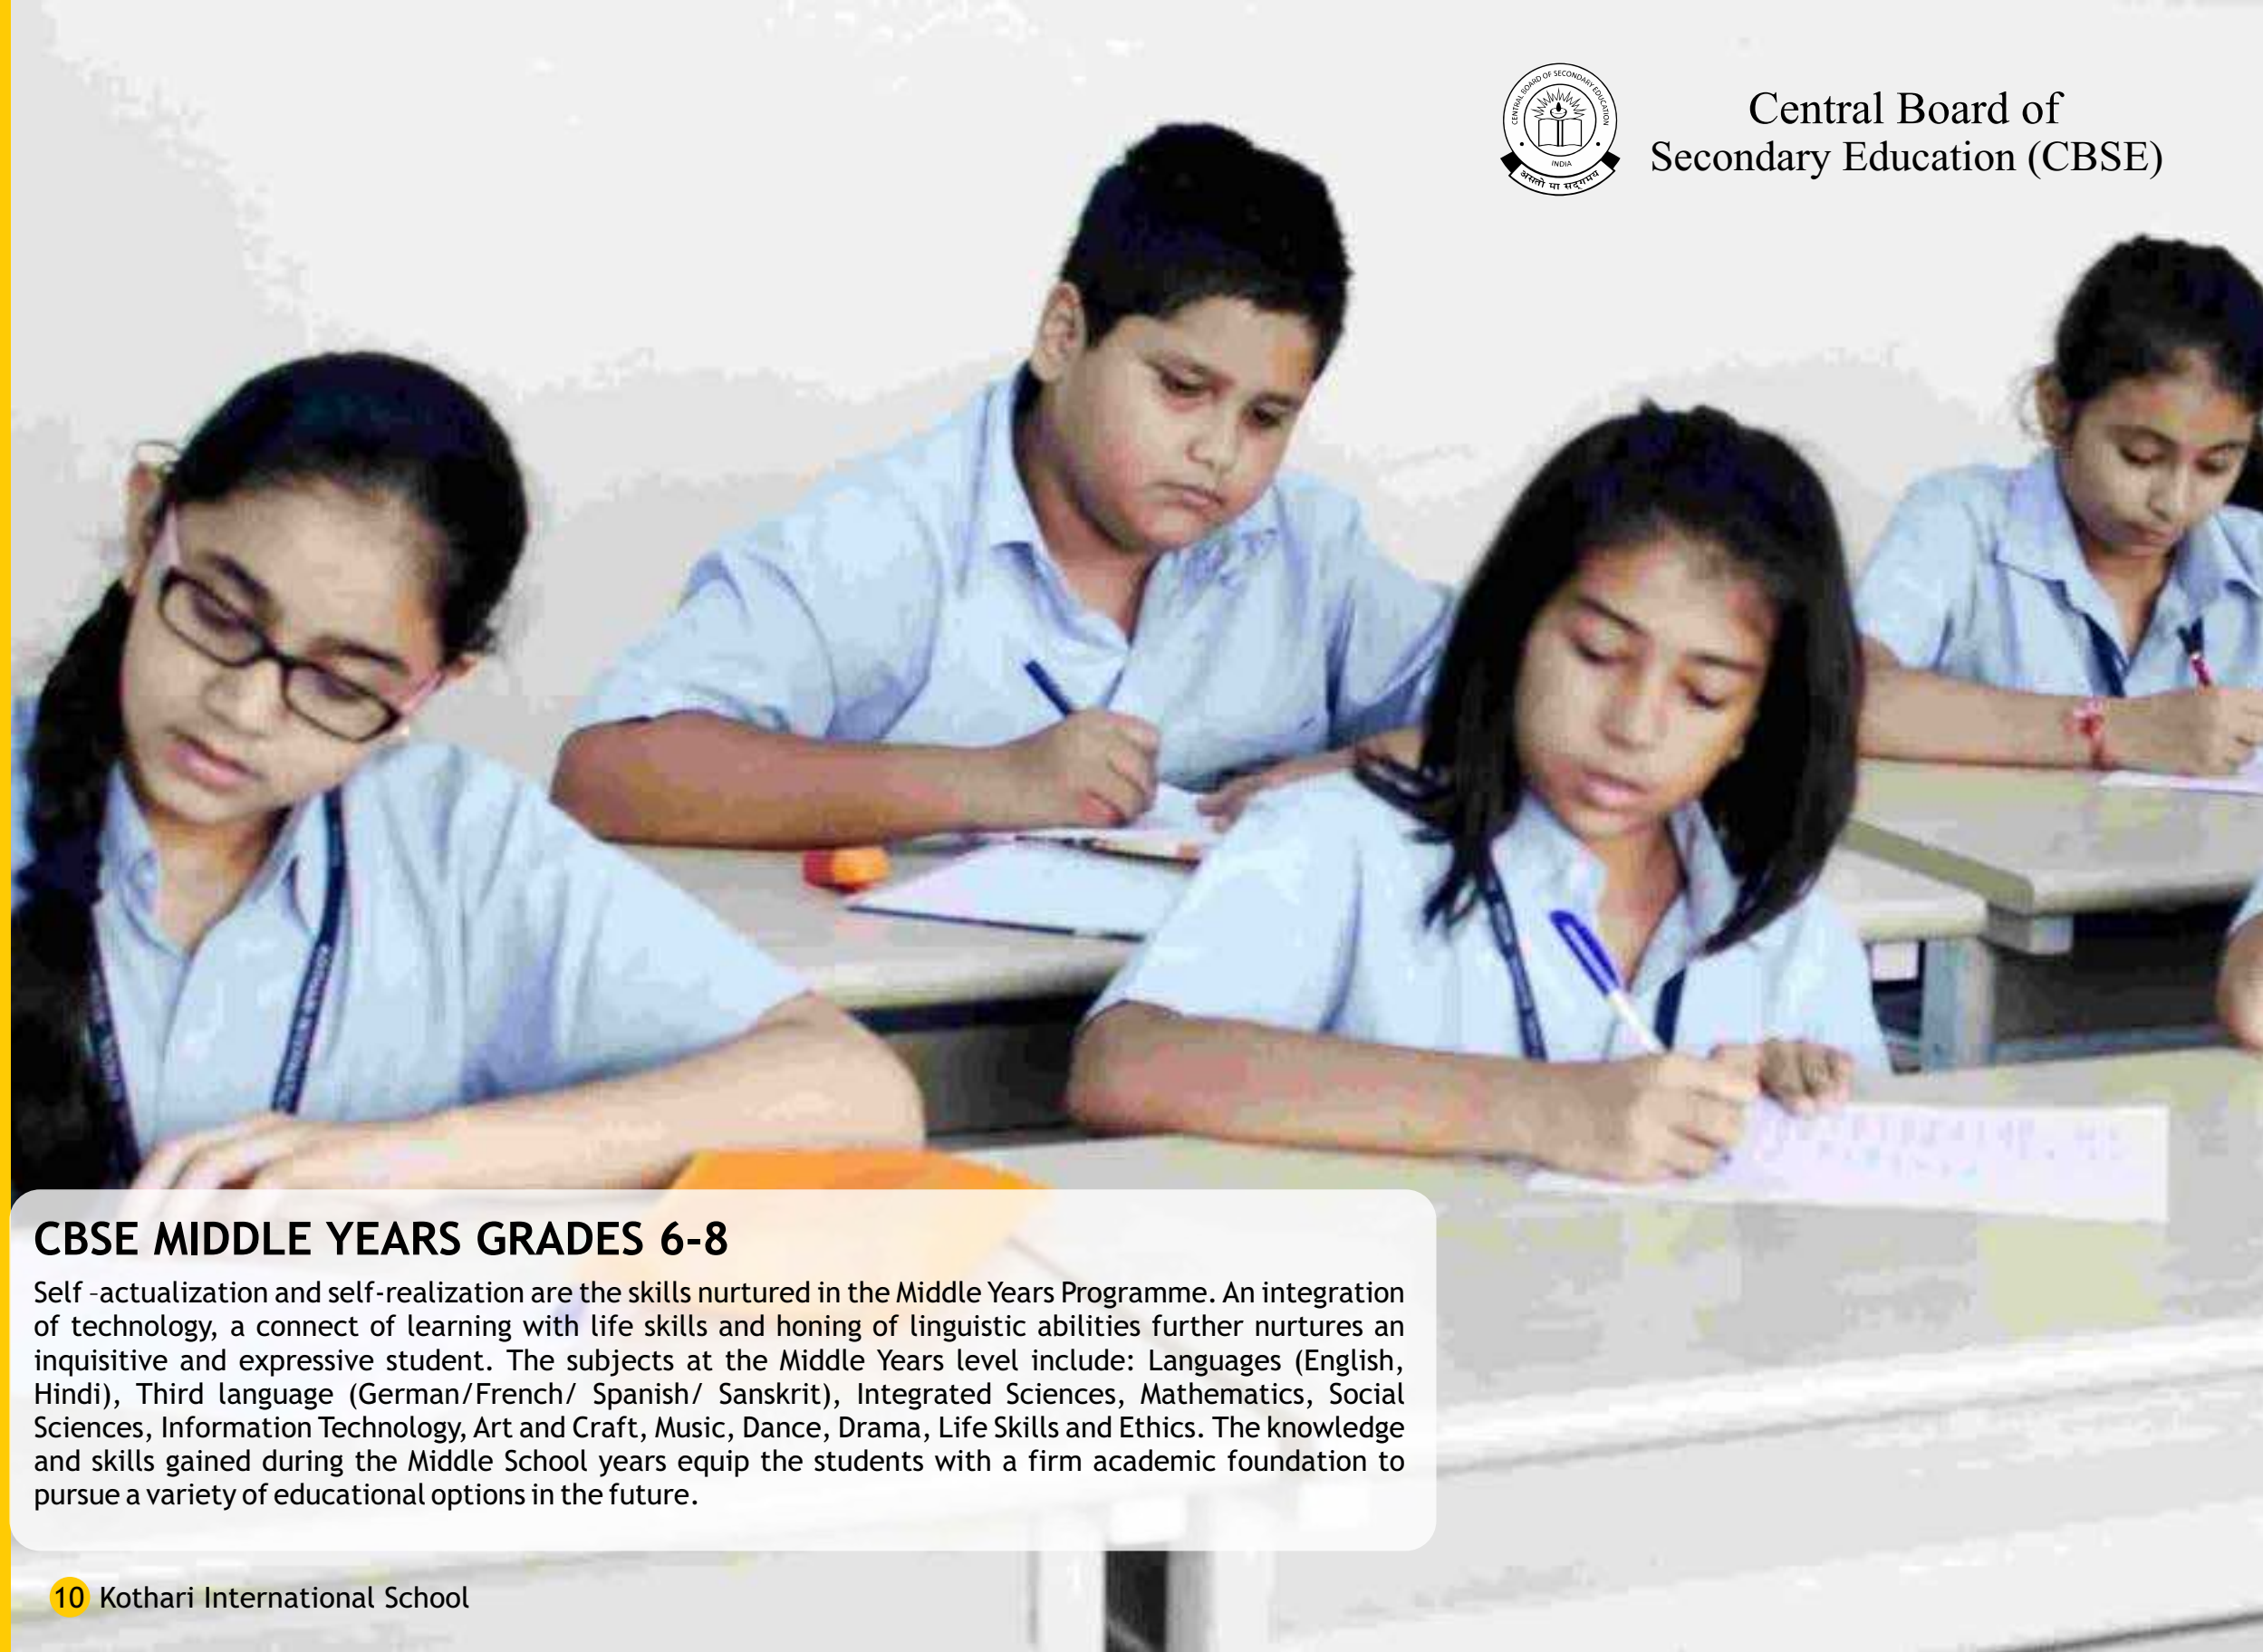

## PRIMARY YEARS PROGRAMME GRADES 1-5

Our Primary years programme brings in opportunities for different styles of learning with special focus on blossoming intelligences. Learning of Languages, Mathematics and Environment is done through activities centered on observation and discovery and the students are empowered with life skills, critical thinking and creative skills. Collaborative learning is a regular feature while children learn to work together as well as independently. Through yearly progression, the curriculum broadens with increase in cognitive challenges. Teachers ensure Whole Class Learning that assesses and reflects understanding and appreciation of the core values in life. At the end of the Primary Years Programme, the students confidently make a foray into the Middle Years.

Central Board of  
Secondary Education (CBSE)

### CBSE MIDDLE YEARS GRADES 6-8

Self -actualization and self-realization are the skills nurtured in the Middle Years Programme. An integration of technology, a connect of learning with life skills and honing of linguistic abilities further nurtures an inquisitive and expressive student. The subjects at the Middle Years level include: Languages (English, Hindi), Third language (German/French/ Spanish/ Sanskrit), Integrated Sciences, Mathematics, Social Sciences, Information Technology, Art and Craft, Music, Dance, Drama, Life Skills and Ethics. The knowledge and skills gained during the Middle School years equip the students with a firm academic foundation to pursue a variety of educational options in the future.

### CBSE SECONDARY & SENIOR SECONDARY GRADES 9-12

Students in the senior secondary years are encouraged to express and innovate. The skills of inquiry and opining are catered for unhinderingly. At the same time the students are sensitized to their environment and the need for universal brotherhood is inculcated in the youth ready to step out of the school. K.I.S. offers its students an array of subject choices in Languages, Sciences, Commerce and Social/Human Sciences. The latest inclusion of subjects , in the CBSE curricula, such as Fashion Studies, Entrepreneurship and Legal Studies are now offered to the students. This eclectic, techno savvy generation finds its expression in subjects of music, dance, art, poetry, sculpture and the language of journalese too.

## CAMBRIDGE IGCSE, A & AS LEVEL GRADES 9 -12

The Cambridge International curriculum is a balanced mix of practical experience and theoretical knowledge and subject offer choice between Core (basic) and Extended (detailed) curriculum with the real world connections generating high level Interests. Learners use Cambridge International IGCSE, AS and A Levels to gain places at leading National and International universities. In addition to the IGCSE Certification, the ICE (International Certificate in Education) is also awarded to all students who successfully complete the study of seven subjects. Cambridge AICE Diploma is a group certificate which requires learners to study subjects drawn from three curriculum areas within Cambridge International AS and A Level: Mathematics and Science, Languages, Arts and Humanities.

## THE DIGITAL ENVIRONMENT

The IT enablement of administrative and academic environment is done starting from online admissions, Fee Payments, School Data Management to Smart Class Room Learning. The Students and Teachers consistently use online networks and resources to boost the understanding of topics, digital skills, independent learning, creativity, critical thinking and motivation amongst all. Digital technologies are widely used in the Smart Classrooms and Computer Labs to connect with Knowledge Wells across the world through webinars and video conferencing to engage in self-directed learning in all areas of knowledge. The Tab Kids Program for Kindergarten children enhances the student's curriculum learning experience manifold. Parents form stronger connections with the school using digital services like social networking and the school website and online surveys.

## SPECIAL NEEDS INCLUSIVE EDUCATION

We believe that every student is entitled to a unique learning experience at school irrespective of any shortcomings in the abilities. The All Inclusive Rainbow System recognizes every child's right to a broad, balanced, relevant and challenging curriculum which is appropriate to individual abilities, talents and personal qualities. The school welcomes differently abled children. The intervention plans along with regular parent interaction and counseling elicit resonant laughter from these young people challenged with Autism, Spectrum Disorder, Attention Deficit Hyperactivity Disorder and other Learning and Physical Disabilities.

## CAREER COUNSELING

The self-exploration, understanding one's aptitude and attitude, exposure to possibilities and opportunities available is the back bone of this structured programme of Career Counseling. The students are exposed to various academic options available both at the National and International levels. The workshops and seminars for students and parents are organized by practitioners from different walks of life. Representatives from National and International Universities are regularly invited to the campus so that students gain from their thoughtful insight and choose the subjects according to their ability and interest. They are guided and supported for University admissions as well.

## VISUAL ARTS

We realize that 'Art' does not mean just drawing and painting. The students are guided and trained not only to learn the finer techniques of sketching, painting, drawing, but also to try hands at pottery and sculpture etc. Students are exposed to different art forms and theories and are given ample freedom to portray their own artistic expression. The school's four Art Studios acts as art workshops and double as an art gallery where students' visual expressions are manifested unbarred.

## PERFORMING ARTS

Many important life lessons and life skills are learnt in the informal arena of Performing Arts. Where DANCE teaches letting out strong emotions through expressions and movements, DRAMA teaches enunciation, pronunciation and emoting. Where VOCAL AND INSTRUMENTAL MUSIC teach the value of dedication in learning and translating deepest feelings into lyrics and melodies and ORATION teaches the importance of expressing one's opinions in an effective manner while agreeing to disagree.

K.I.S. offers a study of Music and Dance, with composition and performances ranging from Hindustani Classical to Western Music-Vocal and Instrumental (Strings/Percussion/Keyboard). Instruction in Dance includes Kathak, Bharatnatyam, Folk, Ballroom Dance, Hip Hop, Salsa and contemporary styles.

## SPORTS

We consider sports as important as academics. The school emphasizes on total participation in sports activities for development of the child's confidence and physique. Students learn the fundamental skills and basic strategies. They come to appreciate the value of teamwork and individual effort and are taught to display excellent sportsmanship in all situation. Real Sports at K.I.S. include:

## THE STUDENTS' GOVERNMENT

An elected body of students, comprises of:

**The Decorum Society:**  
Discipline and  
Etiquette

**The Rhetorical Society:**  
Anchorage for  
Expression and Opinion

**The Organizers' Society:**  
Cultural Confluence

**The Writers' Society:**  
The Youthful Journalese

**The Citizens' Society:**  
An Equipoised World-  
Democracy in Action

The aim is to enable students to understand their rights, duties and responsibilities and to empower and train them to become leaders instead of followers in a new world order of our vision.

The students get the direct experience of the democratic process in action from filling the Nomination Form to the Scrutiny where students are short listed on the basis of criteria such as academics, discipline, initiative and social skills.

The members get training and support from School Mentors and Professionals on invite and exclusive Leadership Camps.

They represent students' views, develop democratic policies for students' welfare and utilization of resources to the optimum, creating awareness about critical issues in and out of school, organizing events etc. Being a member of the coveted Students' Government teaches them to work in tandem as a team, accountable for their actions and worthy of the trust reposed in them.

## CO-CURRICULAR ACTIVITIES, PERSONALITY DEVELOPMENT & LIFE SKILLS

Each student is enthused to experience the vivid vignettes of both scholastic and co-scholastic activities so as to discover his/her unique passion in life. These co scholastic activities span from public speaking to dramatics, from naturalism to philanthropy and from sports to quizzing. Participation in a plethora of activities creates equipoised and dynamic personalities ready for the complex life ahead. The life skills program allows each heart to appreciate his fellow brethren ,empowers the young mind with feelings of compassion and builds the team spirit. The skills and attitude developed in the formative years hold the students in good stead for a lifetime.

## LEARNING BEYOND BOUNDARIES

The outbound educational and entertainment activities and excursions at K.I.S. are very structured for enhancing individual and team performance. These programmes focus on the values of Team Building, Communication, Leadership, Time Management, Problem Solving, Decision Making, Motivation, Change and Personality Development. Our adventure based Experiential Learning and Outdoor Excursions help all Kotharians in learning the unique ways of relationship building, earning trust and respect, developing self- confidence and absorbing positive attitude with motivation. The natural environment and outdoor activities add to the fun quotient and unlock the potential of the student with increased collaboration, innovation and productivity. The educational trips at K.I.S. range from a visit to the local Biscuit factory or traversing through the mountain ranges of the Himalayas or even taking our students for Inter- Cultural Exchanges at Germany, Greece, China, Thailand or Singapore, thus making him/her an enlightened citizen for a better world-order.

## SCHOOL SONG

We are the K.I.S.....  
We are the future of tomorrow, united we stand  
There is no place for sorrow, as we walk hand in hand

If the journey is too long, and we have miles to go  
Never be fearful, if there is no one we know

The lantern of honesty will show us the way  
To touch the sky & be stars one day

We are the K.I.S  
We are the K.I.S  
We are the K.I.S  
We are the K.I.S  
We are the K.I.S
