PROSPECTUS

"Give us the wisdom and ability to comprehend"
BAL BHARATI PUBLIC SCHOOL, INDRAPRASTH YOJNA, GHAZIABAD

Child Education Society, the apex body of Bal Bharati Public Schools and other institutions of higher education, was set up in the year 1944 during the pre-independence era when the elders thought that Indian Culture, Heritage, Tradition and Ethos must be preserved and conserved. In order to achieve these objectives, it became obligatory for the Society to educate the young people. Thus, the Society was registered under the Societies Act, 1860.

The Child Education Society has witnessed phenomenal growth of institutions run by it in recent years, going up from just one school and a Nursery Teacher Training Institute in 1984 to as many as twenty-four today. Seven of these are Project schools in collaboration with the Indian Railways, National Thermal Power Corporation (NTPC) and Moser Baer. This is largely the legacy of a towering figure, a visionary, a mover and shaker, the late Mr K.K. Khullar, President of the Society. After his demise in June 2014, the mantle of leadership fell upon the able shoulders of Mr L.R. Channa, an educationist and social worker who has served as Vice President of the Society for almost three decades.

Bal Bharati Public Schools are comprehensive, co-educational English Medium Schools. Hindi enjoys its place of pride as the National Language in its curriculum.

It provides comprehensive education keeping in view the country's rich heritage and cultural background and opens opportunities for the development of different facets of the child's personality.

Besides academic excellence and intellectual development, the Schools endeavour to help each child discover and develop his/her innate talents and abilities. They seek to instil in the children proper habits, positive attitudes and values such as truthfulness, unselfishness, self-respect, self control, sense of duty, good manners, fair play, team spirit, dignity of labour, punctuality, compassion, freedom of mind and a rational and scientific approach.

Conscious effort is made to foster pride and love for the country and its great heritage and tradition of tolerance epitomized in the noble phrase **“वसुधैव कुटुम्बकम्”**: "The whole world is one family".
