## **CAMBRIDGE CURRICULUM FOR JAIPURIANS!**

**Seth Anandram Jaipuria School** delivers a global learning experience to students through the Cambridge Primary and Cambridge Lower Secondary curricula for grades I to VIII. The Cambridge education imparts knowledge, skills and values to put learners on the path to excellence.

### **SALIENT FEATURES OF:**

#### **◆ CAMBRIDGE PRIMARY**

Cambridge Primary is an education programme for young learners (aged 5 to 11 years). It blends a world-class curriculum, high-quality support for teachers and integrated assessment.

The curriculum has clear learning objectives and is expansive, flexible, and easily adaptable to Indian culture and context. It is a holistic curriculum with a unique approach to nurturing academic rigour.

#### **◆ CAMBRIDGE LOWER SECONDARY**

Cambridge Lower Secondary Programme is typically for learners aged 11 to 14 years. Its salient features are:

- Provides a natural academic progression
- Sets clear learning objectives
- Compatible with other curricula
- Focuses on learners' development
- Provides schools with international benchmarks

## **CAMBRIDGE - A GLOBAL CURRICULUM**

- ◆ Educating millions of learners in over 10,000 schools in 160 countries
- ◆ A 150-year history of providing international exams
- ◆ Recognized by the world's best universities
- ◆ Over 600 schools in India offer Cambridge Curriculum

## **THE CAMBRIDGE ADVANTAGE**

The Cambridge Curriculum provides each student with:

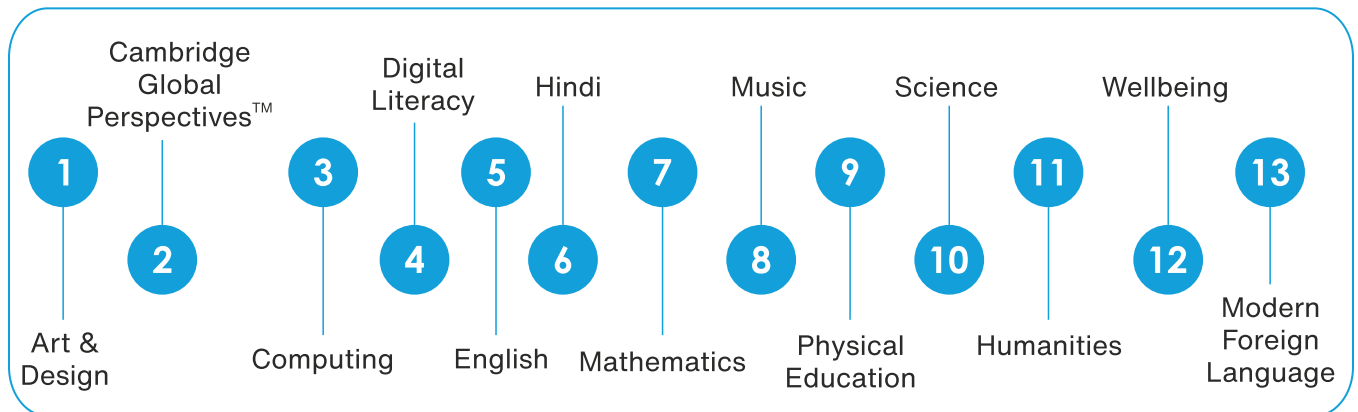

- ◆ International recognition
- ◆ A pathway to IGCSE, A-levels, IB and many other curricula
- ◆ Global perspective
- ◆ Practical assessment
- ◆ Learner-centered teaching and education

## CAMBRIDGE APPROACH TO EDUCATION

- ◆ **A broad curriculum for a balanced education** - Student have a choice of 10 subjects, a wide range of support and optional assessments. The focus is on academics as well as developing creativity, expression and wellbeing.
- ◆ **A global learner in a local context** - Cambridge Primary & Cambridge Lower Secondary encourage learners to understand their own culture, community and identity within the wider world.
- ◆ **Flexible approach** - Cambridge Primary & Cambridge Lower Secondary can be adapted to the learners' needs.
- ◆ **A programme based on latest research** - The programme - from curriculum to teaching, learning and assessment - is aligned and based on the latest research.

## SUBJECTS:

Cambridge International Education offers 13 subjects in the Primary and Lower Secondary curricula. Each comes with a clear set of learning objectives, so that there is clarity over what content to cover and which skills to develop:

**Our school offers the following subjects:** Art & Design, Cambridge Global Perspectives, Computing, Digital Literacy, English, Hindi, French/German [Grade I onwards], Wellbeing [Grade I onwards], Humanities [Grade I onwards], Mathematics, Music, Physical Education, Science, SST [Grade III Onwards], History & Geography [Grade VI onwards].

## CAMBRIDGE ASSESSMENT

Cambridge Assessments are designed to evaluate and improve a student's learning. Assessments are aimed at accurately measuring a learner's progress and unlock the potential by focusing on areas of strength and improvement. Cambridge assessments also go beyond written tests. They comprise oral tests and listening tests as well.

### PRIMARY CURRICULUM

- ◆ Cambridge Primary Progression Tests
- ◆ Cambridge Primary Checkpoint (Optional)

### LOWER SECONDARY CURRICULUM

- ◆ **Summative Assessment:** Term Exams (Twice A Year)
- ◆ **Formative Assessment:** Ongoing
- ◆ **End of Grade VIII:** Cambridge International offers Checkpoint Examination (Optional)

## CHECKPOINT EXAMINATION

- ◆ Checkpoint exams are conducted at the end of grade V & VIII
- ◆ Checkpoint is a diagnostic assessment tool
- ◆ It evaluates learner performance to assess knowledge, skills and understanding in English, Mathematics and Science
- ◆ It identifies and addresses learning needs in English, Mathematics and Science
- ◆ The tests are externally marked by Cambridge

## FAQs

### 1. Do Indian universities recognize Cambridge qualifications?

Nearly all Indian universities with undergraduate programmes recognize Cambridge qualifications. Universities with formal recognition policies include central and state universities, as well as renowned private and deemed universities across the country. Indian higher education institutions recognize Cambridge International A Levels as equivalent to Indian senior secondary qualifications.

### 2. Will the Cambridge Primary and Cambridge Lower Secondary curricula run concurrently to the CBSE curriculum at school?

Yes, the Cambridge Primary and Cambridge Lower Secondary curricula will run concurrently to the CBSE curriculum at Seth Anandram Jaipuria School.

### 3. Since the school is delivering Cambridge Primary & Cambridge Lower Secondary for grade I to VIII, can a student join this Cambridge programme at, say, grade III or grade IV or grade V or grade VII or grade VIII? Or can a student join only at grade I?

A student can join the programme at any stage.

### 4. What's the cost differential between the CBSE Curriculum and Cambridge Curriculum?

There is a cost differential which can be discussed in a one-to-one interaction with the admission counselor.

### 5. Will my ward's school dress and school timings change after opting for Cambridge Curriculum?

The student's dress and school timings will remain the same.

### 6. Will students studying in Cambridge Primary & Cambridge Lower Secondary have the same books as those in CBSE curriculum?

Students studying Cambridge curriculum will have the text books from publishers who are endorsed by Cambridge International. Books for Hindi will remain the same.
