

Taking little wings
to great heights

ORCHIDS[®]
The International School

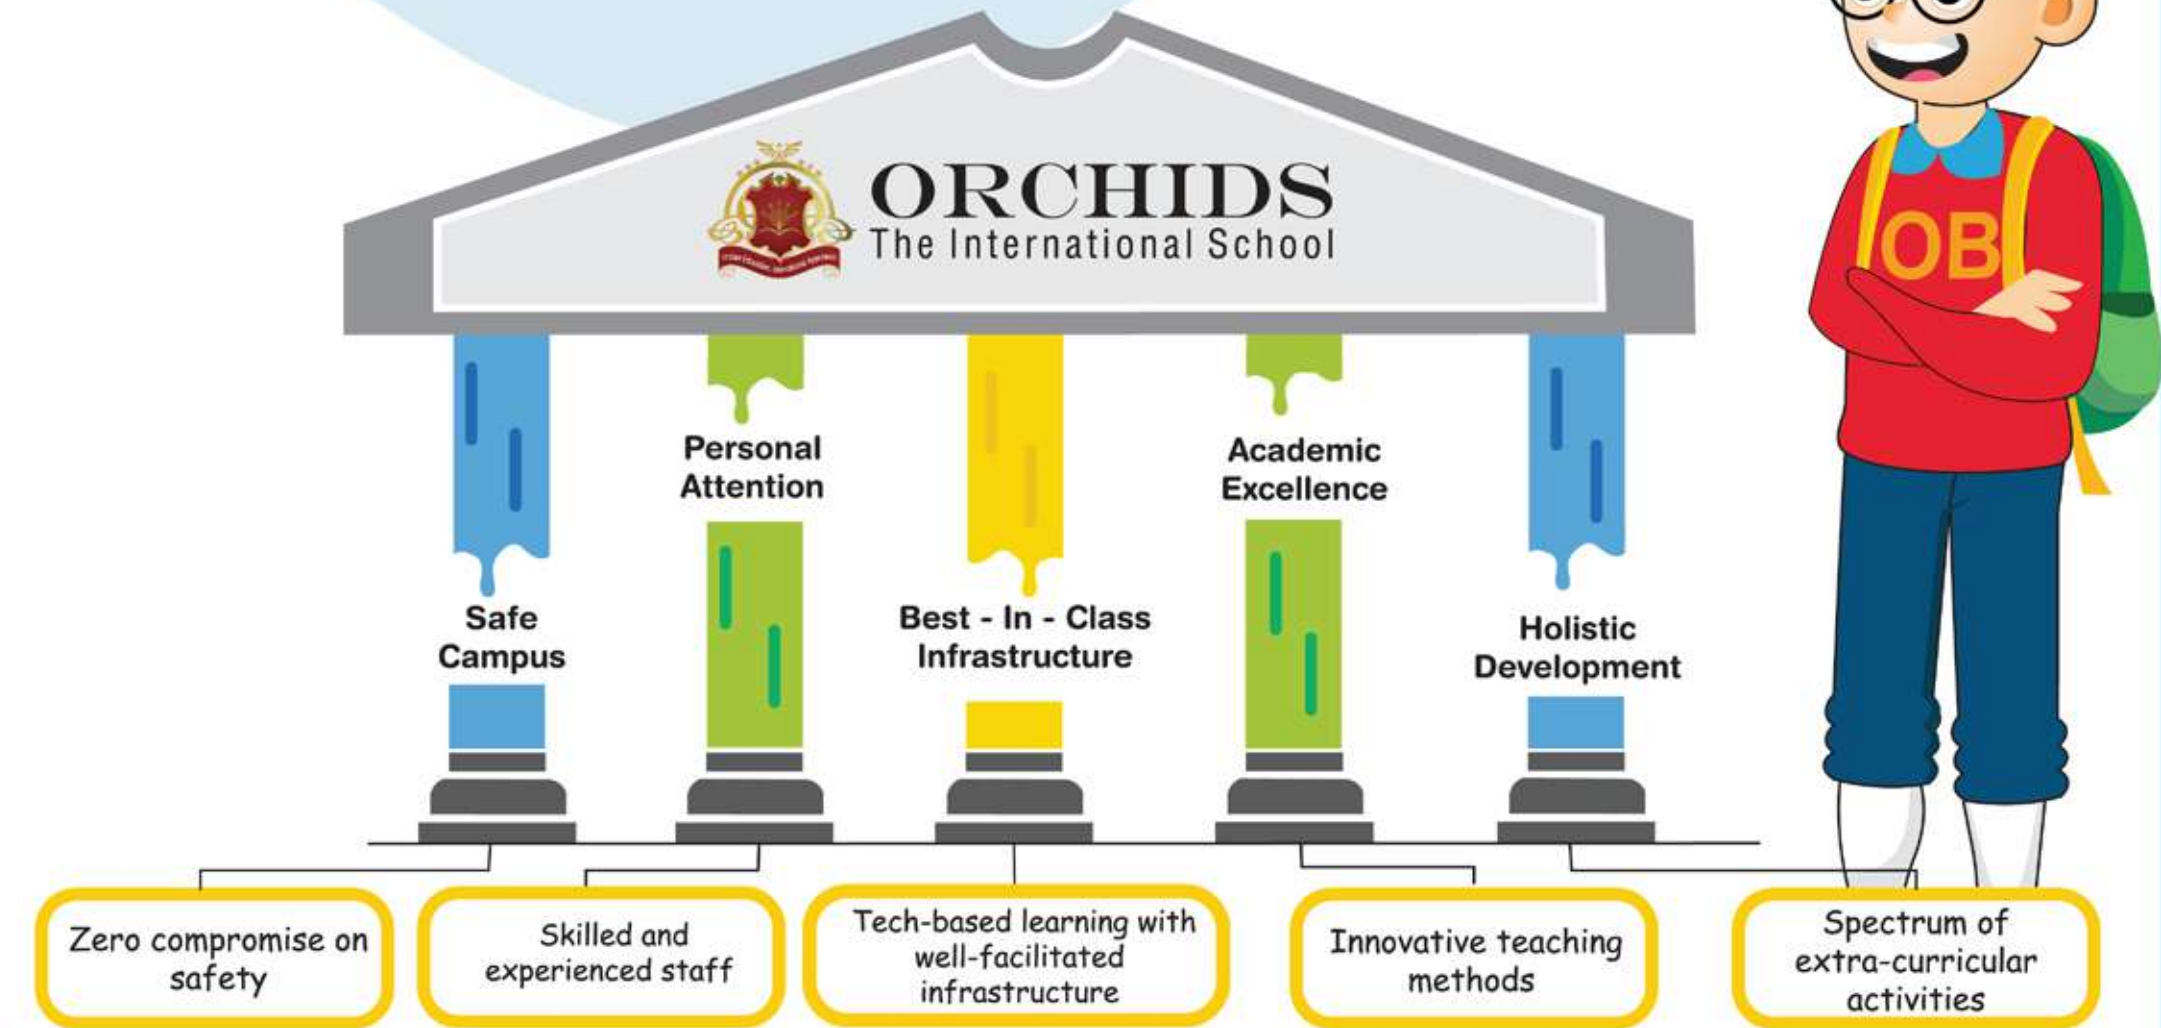

A journey that started 2 decades ago...

We started with 1 school in Hyderabad in 2002, and grew to become a community of 75K+ students with 90+ schools in 2022.

...With 5 core foundations...

Little buds bloom in a secure ambience where personal attention, world-class facilities, and blended curriculum ensure they grow up to become confident and self-sufficient.

..And a **pathbreaking** philosophy to change the world.

Hard work sharpens one's natural qualities. We enhance the capability of little minds by polishing them a little more than what they are already blessed with

Research emphasizes the importance of learning in depth and not just in width by inculcating reading and research habits

Exposure programs like educational field trips make our children geared up for life

S

H

A

R

P

E

R

Self-discipline makes students independent of monitored discipline. It encourages his/her belief in the value of education

Applied Science engages students in science and complicated topics. It abolishes their fear and introduces them to clear concepts through experiential learning

Physical Fitness enhances a healthy body & mind. We help children understand the necessity of a healthy body through nutrition and sports programmes

Reflective and Independent thinking makes our children capable of thinking critically through various vigorous training

World-class infrastructure...

INFIRMARY

AUDITORIUM

COMPUTER LAB

CCTV MONITOR

LIBRARY

SMART CLASSROOMS

LABS

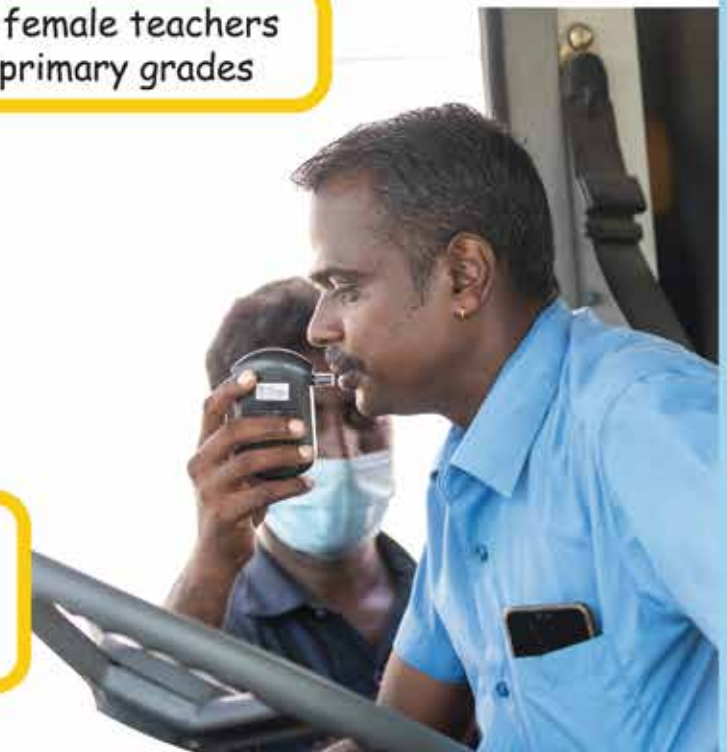

GPS-ENABLED BUSES

We leave no stone unturned to ensure our children's safety. We keep our promise with a nature-friendly environment on every campus- 24x7 CCTV surveillance, GPS-equipped buses, and dutiful staff.

...Zero compromise on **safety**...

...And up-to-date curriculum have always been our **Stronghold**.

Early Years Programme (EYP)

Our youngest learners are carefully taught important skills by doing what they love the most - PLAY

- Conceptual learning
- Literacy and numeracy
- Kinesthetic learning & motor skill development
- Experiential learning
- Environmental awareness

Primary Grade

Our well-rounded curriculum stresses upon principal subjects, weekly activities, language skills, and technology - based innovation

- Literacy & Language skills
- Mathematics
- Regional Language
- Environmental Science
- Information & Communication Technology
- Physical Education

Secondary Grade

The higher grade lays strong focus on experimental and experiential learning apart from the academics

- Field trips
- Lessons in Robotics
- Advanced concepts through innovation
- Rigorous preparation for Grade X milestone
- Well-planned lessons, assessments & reward system

Introducing courses that get them on their feet to meet the **real world**.

Financial Literacy

From a tender age, we prepare our children for real-world monetary affairs like budgeting their pocket money

Horti culture

Practical and theoretical lessons of hydroponics, vegetation of flowers, medicinal plants, & fruits prepare them to co-exist with other species in nature

Audible Books

Introducing an innovative way where textbooks speak after scanning a QR code and giving an overview of every chapter

Scan here for an introduction to reading and comprehension

Astronomy

We nurture the kid's curious mind by introducing them to stars, planets & galaxies

Trilingual Learning

When it comes to language, Orchidians master the skills of

- English
- Regional language
- French

Expanding their horizon of **knowledge**...

BYOD (Bring your own devices)

Making concepts easy to understand by giving little minds access to technology through their own devices on the school premises where they learn in a practical way and beyond a fixed curriculum

Public speaking

Bringing their inner leadership potential out through various exercises like storytelling, small talks, and motivational speaking

Do it yourself

Today's practitioners become tomorrow's experts. DIY gives them the opportunity to try their hands on something new and explore the joy of creation

STEM

(Science. Technology. Engineering. Mathematics) Under this programme, students explore the world of technology and science through robotics and various well-designed kits

STEM

SCIENCE • TECHNOLOGY • ENGINEERING • MATHEMATICS

...As well as our hearts and minds.

Opportunity to grow their personality in a unique way

Music

Mastering the art of classical from Jazz to Blues

Theatre

Strengthening their observational skills by enacting different characters

Dance

Learning to match steps in all ups and downs

Visual Art

Exploring different forms of art and culture across the centuries

And many more
- Videography
- Art & Craft
- Origami
- Pottery
- Photography

We ensure the wholesome growth of little stars with more activities.

No-Bag Day

One day with no bag in school. Children learn through experiments, role-playing, and narrating stories

Beyond The Bell

This is an optional 2 hours extended school programme exclusively crafted for Orchidians to provide academic support and skill development

Event Clubs

Their Saturday adventures consist of engaging events or competitions like

- Orchids Brainiacs
- Prop-Me-Up
- Science Fever
- Musomania
- Hit-the-Cone

STEP (Special Talent Encouragement Programme)

We believe in augmenting the confidence of children and competitive spirit through various competitions at district, state, and national levels

20 mins of leisure time

40 mins of extracurricular activities

60 mins of academics

Playing the happiest strings in their hearts with **Pizza Pyjama Party.**

An exciting night-out plan at the school under the watchful eyes of teachers and the supervision of security members to teach them management skills through group games.

Bonfire Night

Bonfire in hills is ordinary life,
Bonfire at school is Orchids life

Teacher-Learners Family

A night about fun and making
memories together with zero
compromises on safety

Perks of Pizza

We give a toast to life with pizza in
our hands

Fun and Learn

Arranging their own party with food,
bedding arrangements, sports
equipment and developing life skills

No Mess Assured

Children learn that along with fun,
organisers of the party need to
ensure the participant's safety

Picture Perfect

Our little stars learn how important
it is to store memories with a bunch
of beautiful pictures and videos

We ensure the **health of little ones** while keeping parents updated on all activities.

Fit Orchids

Assessment

At the beginning of the year, we measure their height and weight to calculate their BMI

Healthshala

As per their BMI, each student receives a diet chart suggested by a certified expert nutritionist. Students with special requirements are given separate diet charts

“

Let's Eduvate

Our very own user-friendly portal helps parents track their child's progress and be updated on events and announcements

”

“

Parent-Teacher Meeting

Periodic interaction with the teachers to discuss the child's development

”

“

Parent-Teacher Association

A committee devoted to addressing parent's concerns and resolving them

”

“

Safety & Security Committee

Campus tours and online meetings conducted with parents to discuss & strengthen security measures

”

...Through practical exposure.

Planetarium

Our in-house planetarium gives children a glimpse of complicated astronomical concepts

Field Trips

Exposure to life skills - an experience of the real world beyond the school campuses

Learning Kits

Well-designed kits by industry experts devoted to introducing children from real problems to real solutions

- Science kit
- Math kit
- Environmental Science kit
- Robotics kit

Tech Hub

Bringing up leaders with tech knowledge and go-getter attitude

- Curating amazing PowerPoint presentations
- Designing magazines
- Running their own Youtube channel
- Becoming a radio jockey at Orchids podcast

We lay emphasis on physical **well-being**...

Each sport is led by highly-qualified and compassionate coaches

- Basketball
- Volleyball
- Athletics
- Chess
- Tennis

Football

Nurturing individual growth while building team spirit

Taekwondo

Learning self-defense, improving physical fitness, and building character

Cricket

Inaugurating the joy of turning individual commitment into a group effort

Swimming

Preparing them to take on the challenge of life, survival, and winning

Skating Rink

Making all paths smooth by teaching them the art of skimming
